

## DIVISION OF PRESERVATION AND ACCESS

Through the Division of Preservation and Access, NEH combats the physical deterioration of humanities collections in America's libraries, museums, archives, and historical organizations, ensuring access to these collections for research, education, and public programming.

## Preservation and Access Grants

*Grants assist in the care of humanities collections and in the availability for use by the public.*

### African American Heritage Foundation of Iowa

Cedar Rapids, IA *Susan E. Kuecker*

**\$20,000\*\*** Flood assistance for the African American Museum of Iowa.

### Alexandria Archive Institute

San Francisco, CA *Sarah Whitcher Kansa*

**\$250,609** Creating best-practice guidelines for the development of humanities data-sharing software to meet user needs, as well as to support the continued development of Open Context, a collaborative, free, open-access resource to facilitate online sharing of archaeological field research among excavators, scholars, and cultural heritage institutions.

### Alice Ferguson Foundation, Inc.

Accokeek, MD *Tracy Bowen*

**\$5,000** A preservation assessment of furniture, decorative and fine art, farm equipment, tools, archival materials, and photographs at the Hard Bargain Farm, a working farm that offers educational programs about the environment and the cultural heritage of the Potomac River Watershed.

### Allegheny College

Meadville, PA *Linda G. Bills*

**\$30,000\*\*** Ida M. Tarbell papers digitization project.

### Alutiiq Heritage Foundation

Kodiak, AK *Marnie Leist*

**\$3,528** Hiring a consultant to conduct a preservation assessment and create a long-term plan for the care of photographic collections documenting the history of the Alutiiq, an Alaskan Native people culturally related to the Eskimos.

### American Film Institute

Los Angeles, CA *Patricia K. Hanson*

**\$200,000\*** The continuing preparation of a descriptive catalog of 1,000 feature-length motion pictures produced in the United States from 1971 to 1980.

### American Frontier Culture Foundation, Inc.

Staunton, VA *David Puckett*

**\$5,000** A preservation assessment of the Frontier Culture Museum's collection of artifacts and archival materials that are used at the living history museum to explore the contributions of Indian, French, German, English, Irish, and African settlers to life in the Shenandoah Valley of Virginia.

### American Institute of Afghanistan Studies

Boston, MA *Hiroimi L. Sakata*

**\$68,768** Advanced training in archival management in the United States for four Afghan archivists currently engaged in reformatting the audio collections of Radio Afghanistan.

### American Philological Association

Philadelphia, PA *Lisa D. Carson*

**\$13,311\*** The preparation of two volumes of *l'Année philologique*, a comprehensive bibliography of research in all fields of classical studies.

### American Philological Association

Philadelphia, PA *Lisa D. Carson*

**\$305,000** The preparation of *l'Année philologique*, a comprehensive bibliography of research in all fields of classical studies that contains abstracts of serial publications.

### American Precision Museum

Windsor, VT *Ann Lawless*

**\$5,000** A conservation assessment of historic industrial artifacts, including machine tools, models, firearms, and measuring and gauging devices. The conservator would also evaluate environmental monitoring data and train staff in the care and handling of collection items.

### American Textile History Museum

Lowell, MA *Karen Herbaugh*

**\$5,000** The purchase of cabinetry to store costumes and accessories from a collection that focuses on the history of textile production and use in the United States from the eighteenth century to the present and that also includes textile-making tools and machinery, household textiles, and decorative arts.

### Amigos Calle del Cristo 255, Inc.

San Juan, PR *Maria Teresa Arraras*

**\$5,000** A preservation assessment of the rare book holdings of La Casa del Libro, including an internationally significant collection of Spanish incunabula, early printed books, medieval manuscripts, prints, maps, modern fine press books, and books and prints by notable Puerto Rican artists. In addition, a conservator will train the museum's staff in care and handling procedures for the collections.

### Andrew County Museum

Savannah, MO *John M. Emery*

**\$3,850** Hiring a consultant to assess the preservation needs of photographic prints and negatives in various formats that document the history and culture of Andrew County, Missouri, since 1841.

### Animas Museum

Durango, CO *Janet W. Postler*

**\$5,000** The purchase of supplies, staff training, and rehousing of historic and ethnographic collections that document the history and culture of the San Juan Basin, with a focus on Durango and La Plata County, Colorado.

### Anthology Film Archives

New York, NY *Andrew Lampert*

**\$5,000** Hiring a preservation consultant to assess the environmental storage conditions of more than 12,000 items in the archives' film and video collection. The consultant will prepare a condition report and detailed plan for the renovation of an on-site cold storage vault. The films and videos date from the late 1800s to contemporary works, focusing on independent and avant-garde productions by individuals.

### Antiquarian and Landmarks Society, Inc.

Hartford, CT *Beverly Lucas*

**\$5,000** Hiring a consultant to develop a plan to rehouse and preserve the society's collections of furniture, ceramics, textiles, artworks, photographs, and archives related to the eighteenth- and nineteenth-century history of Hartford, Connecticut, and surrounding areas.

### Arhoolie Foundation

El Cerrito, CA *Tom Diamant*

**\$40,406\*** The digitization of 10,000 45-rpm records in the Frontera Collection of Mexican and Mexican American Recordings, the creation of images of the record labels and a finding aid, and the mounting of the audio recordings on the bilingual UCLA Digital Library website.

### Arizona Department of Libraries, Archives and Public Records

Phoenix, AZ *Melanie Sturgeon*

**\$400,000** Digitization of 100,000 pages of Arizona newspapers, dating from 1880 to 1922, as part of the National Digital Newspaper Program.

### Atlanta-Fulton Public Library Foundation, Inc.

Atlanta, GA *Richard Cruce*

**\$4,810** Hiring a preservation specialist to conduct a comprehensive needs assessment of the 1,488 photographs, books, and other items in the Margaret Mitchell Collection and provide advice about the purchase of supplies and display methods. Two library staff would also attend a course on preservation and archival techniques.

**Atwater Kent Museum**Philadelphia, PA *Viki Sand*

**\$595,970** The improvement of environmental conditions and installation of fire suppression to protect the museum's library, archival, and material culture collections, which document the history of Philadelphia.

**Auburn Cord Duesenberg Museum**Auburn, IN *Matthew Sidney Short*

**\$5,000** A general preservation assessment of the institution's collection of classic automobiles. The collection includes Auburns, Cords, and Duesenbergs from the late 1920s; the archives from the Auburn Automobile Company; as well as books, photographs, and other materials documenting automotive history.

**Augusta State University**Augusta, GA *Camilla Reid*

**\$4,500** Preservation management and disaster training workshop for staff at the university's Reese Library. The library's holdings include 400 manuscript collections spanning the colonial period through the present relating to the history, culture, economy, and social life of Augusta, and its importance to regional and national development.

**Autonomous Municipality of Caguas**Caguas, PR *Clavel Mendez-Joy*

**\$5,000** A conservation assessment of the collections of the Museo de Arte de Caguas, which holds paintings, sculptures, prints, and photographs from the 1930s to the present, many of which are by artists from Caguas and the surrounding Turabo Valley.

**Baltimore Museum of Industry**Baltimore, MD *Roland Woodward*

**\$5,000** Purchase of flat file cabinets and preservation supplies to rehouse blueprints, plans, drawings, and other oversized archival materials related to the history of shipbuilding in Baltimore from the 1820s to the 1940s.

**Barnstable Historical Society**Barnstable, MA *Robert D. Stewart*

**\$4,999** A general preservation assessment of Barnstable Historical Society's manuscript collections, including documentation of early American glassmaking, New England's cranberry and fishing industries, and rare Native American land sale documents.

**Beloit College**Beloit, WI *Nicolette B. Meister*

**\$4,976** The purchase of storage furniture to rehouse 100 archaeological field maps holding data related to Native American cultures in the Northeast, the Southwest, and Mesoamerica. A conservator would oversee the project and conduct training for staff in the care and handling of maps and other oversized materials.

**Benton County Museum and Historical Society**Prosser, WA *Dick Sampson*

**\$4,994** Hiring a consultant to conduct a preservation assessment of the museum's collections of antique radios, photographs, textiles, and library materials related to the history and culture of Benton County, Washington.

**Bowdoin College**Brunswick, ME *Richard H.F. Lindemann*

**\$5,000** A preservation assessment of the Susan Dwight Bliss Room and Rare Book Collection. The Bliss Room, designed by C. Grant LaFarge, has Italian Renaissance furnishings and a painted ceiling and houses 1,200 volumes of finely bound rare books dating from the mid-sixteenth to the mid-twentieth century, relating to the fine and decorative arts, French and English history and literature, and European and Asian travel.

**Bridgeport Public Library**Bridgeport, CT *Elizabeth Greever Van Tuyl*

**\$3,625** A conservation assessment of the library's 150 World War I posters and a sketchbook created during the Civil War by a member of the Connecticut Eighth Volunteer Regiment, Company A. A paper conservator would assess each item and make recommendations for conservation treatment.

**Brown University**Providence, RI *Kimberly S. Nusco*

**\$5,000** Hiring a consultant to develop a treatment plan for a collection of business records from the Arnold family of Rhode Island.

**Brown University**Providence, RI *Jay Gaidmore*

**\$228,454** Development of a union database of online finding aids for archival holdings on United States and state history in various Rhode Island repositories.

**California Institute of the Arts**Valencia, CA *Karen Baxter*

**\$5,000** The purchase of preservation supplies and equipment to rehouse 2,711 items in various formats in the institute's moving image collection of exploratory and experimental films.

**California State University, East Bay Foundation, Inc.**Hayward, CA *Nicole Howard*

**\$4,039** A preservation assessment of the library's special collections, which include materials on Marco Polo and Portuguese travel, German-Americans in Alameda County in the late nineteenth and early twentieth centuries, rare books on vulcanology and earthquakes, hand-printed and fine-press books, and various atlases and maps. Because the university rests on the Hayward fault, the assessment will also address disaster preparedness and identify necessary measures to protect the collections in the event of an earthquake.

**Carbon County Museum**Rawlins, WY *Carol Reed*

**\$5,000** Online workshops and on-site training in disaster preparedness and response for museum staff. Staffs of other museums, libraries, and historical organizations in Wyoming will be invited to participate. The collections of the Carbon County Museum include textiles, photographs, tools and equipment, transportation artifacts, and ranching and mining objects that demonstrate the history and culture of southeastern Wyoming.

**Cedar Rapids Barton, Inc.**Cedar Rapids, IA *Paul R. Montague*

**\$4,000\*\*** Removal and storage of flood-damaged Barton Theatre organ.

**Cedar Rapids Museum of Art**Cedar Rapids, IA *Terence R. Pitts*

**\$20,000\*\*** Clean-up of collection storage and preparation spaces and replacement of destroyed storage shelving and supplies.

**Center for Puppetry Arts**Atlanta, GA *Alan Louis*

**\$5,000** A condition survey of 250 puppets and related performing objects from around the world. From its collection the center has selected twenty-five puppets from Africa, seventy from Europe, and 155 from North and South America as representative of the full range of countries, time periods, and media. These items were used in various cultural contexts: rituals and religious functions, social commentary, cultural narratives, and childhood education.

**Center for Southern Folklore**Memphis, TN *Judith L. Peiser*

**\$210,951** Preservation and rehousing of 7,500 photographs, 30,000 feet of film, and 100 78-rpm disks related to African-American history and culture from the 1920s to the 1950s.

**Center for Wooden Boats**Seattle, WA *Betsy Davis*

**\$5,000** Consultation with a conservator to prepare an institutional plan for conservation policies and procedures and to train staff in its implementation. The center maintains a collection of wooden small boats, boat models, boat plans, books and periodicals, photos, and archival materials on the maritime history of the Pacific Northwest.

**Chester County Historical Society**West Chester, PA *Ellen Endslow*

**\$5,000** Hiring preservation consultants to conduct a preservation assessment of the society's textile collections. The clothing and clothing accessories include dresses, greatcoats, bonnets, petticoats, shoes, shirts, bibs, aprons, shawls, suspenders, and caps. These materials date from the eighteenth century, and originate mainly in Philadelphia and southeastern Pennsylvania.

**Chicago Botanic Garden**Glencoe, IL *Leora Siegel*

**\$55,911** Conservation of some 10,000 books, journals, and manuscripts related to the study of horticulture in the U.S. since the late 1820s.

**Children's Museum of Oak Ridge, Inc.**Oak Ridge, TN *Kay Palmateer*

**\$5,000** Rehousing approximately 400 to 600 objects of the museum's collection of artifacts, documenting the history of Appalachia and the community of Oak Ridge, Tennessee. Collection items include quilts, toys, furniture, dolls, and coal mining artifacts. The purchase of a light meter and environmental monitoring equipment would also address the storage needs of these collections.

**Chippewa Valley Museum**Eau Claire, WI *Susan M. McLeod*

**\$4,965** The purchase of environmental monitoring equipment and ultraviolet light filters to protect a collection of documents, historic artifacts, agricultural tools and equipment, photographs, and ephemera documenting rural life in northwestern Wisconsin.

**City of Clayton**Clayton, MO *Eric Gruenfelder*

**\$1,600** A general preservation assessment of the book and manuscript collections of the Martin Franklin Hanley House, a historic house museum and farmstead in Clayton, Missouri.

**City of Methuen**Methuen, MA *Tina Touma-Conway*

**\$4,844** A general preservation assessment and staff training in the care and handling of documents. The City of Methuen's archive of public records includes town meeting proceedings; tax lists; police reports; voter registrars; birth, death and marriage records; assessor's records; treasurer's records; deeds; annual reports; resolutions; atlases; school site plans; and a set of the Massachusetts Acts and Resolves dating from the town's inception in 1726 through the early twentieth century.

**City of Philadelphia, Department of Records**Philadelphia, PA *Joan Decker*

**\$108,882** Development of an enhanced website featuring historically significant collections at the City of Philadelphia's Department of Records and the Free Library of Philadelphia and the creation of tools to increase the level of access to and usefulness of these collections for researchers, students, and members of the general public.

**College of Southern Maryland, La Plata**La Plata, MD *Patricia McGarry*

**\$5,000** The purchase of archival supplies, improvements in lighting, and training for archives staff on proper collection care. The collection documents the history and culture of southern Maryland and includes personal papers, records of businesses and organizations, historic sites, genealogical research files, photographs, maps, artwork, oral histories, newspapers, and ephemera.

**Columbia University**New York, NY *Ehsan O. Yarshater*

**\$76,728\*** Preparation of the *Encyclopaedia Iranica*, a multidisciplinary reference work and research tool on Iranian history and civilization from prehistory to the present.

**Columbia University**New York, NY *Roger S. Bagnall*

**\$340,217** Enhancements to an integrated information system of papyri collections with access to catalog records, texts, images, and a bibliography, a new user interface, and better integration with related scholarly databases, and expansion of the digital repository.

**Conservation Center for Art and Historic Artifacts**Philadelphia, PA *Ingrid E. Bogel*

**\$57,521\*** A regional preservation field service program that provides preservation surveys, workshops, technical consultations, and educational materials to libraries, archives, museums, and historical organizations in the Mid-Atlantic states.

**Conservation Center for Art and Historic Artifacts**Philadelphia, PA *Ingrid E. Bogel*

**\$42,479\*** A regional preservation field service program that provides preservation surveys, workshops, technical consultations, and educational materials to libraries, archives, museums, and historical organizations in the Mid-Atlantic states.

**CUNY Research Foundation, Graduate School and University Center**New York, NY *Dee L. Clayman*

**\$28,266\*** The addition of ten volumes to the Database of Classical Bibliography, an electronic resource containing the retrospective volumes of *l'Année philologique*, the international bibliography of record for the field of classical studies.

**Dallas Museum of Art**Dallas, TX *Gabriela Truly*

**\$600,000** Renovating storage space and purchasing storage furniture to rehouse collections of more than 13,000 works of art from around the world, as well as the museum's archives.

**Delaware Public Archives and Delaware Division of Libraries**Dover, DE *Maira Conlan*

**\$5,000** The creation of a state-wide consortium for disaster preparedness and response. A preservation consultant would meet with representatives of seventy-eight small and mid-sized cultural institutions in Delaware for workshop training and planning sessions, to be followed by the consultant's report with recommendations for implementation by the group.

**Des Moines Art Center**Des Moines, IA *Rose Marie Wood*

**\$5,000** A conservation assessment of the center's sculpture and tribal arts collections that would provide guidance for treatment, storage, and care of these materials. Sculptures in the collection include works by Richard Serra, Lee Bontecou, Charles Joseph Biederman, and Louise Bourgeois.

**Duquesne University**Pittsburgh, PA *Patrick Juola*

**\$131,465** Development and evaluation of a prototype system for helping indexers, including authors and publishers, produce traditional back-of-the-book indexes.

**Eiteljorg Museum of American Indiana and Western Art**Indianapolis, IN *Amy McKune*

**\$5,000** Purchase of storage furniture to rehouse dresses, leggings, Ghost Dance shirts, and other objects related to nineteenth-century Plains Indian history.

**Ella Sharp Museum**Jackson, MI *Jim Zuleski***\$5,000** Purchasing preservation materials to rehouse historical clothing collections from the nineteenth and early twentieth centuries.**Emory University**Atlanta, GA *David Eltis***\$349,641** The creation of a web-based resource on the names, cultural identification, and migration patterns of Africans in the transatlantic slave trade between 1819 and 1845.**Fitchburg State College**Fitchburg, MA *Robert Foley***\$4,240** A general preservation assessment of the Fitchburg State College's archives and manuscript collections, including the personal papers of Robert Comier and Robert Salvatore, noted authors of novels for adolescents and young adults.**Florida State University**Tallahassee, FL *Joan E. Denman***\$5,000** Hiring a preservation consultant to assess the university's collection of materials related to World War II and to examine the storage capacity and preservation needs of the objects. One hundred items will be selected for a more thorough conservation assessment.**Folger Shakespeare Library**Washington, DC *Stephen C. Enniss***\$350,000** Creation of a searchable database and digital facsimiles for 10,000 items from the library's collection of Shakespeare and Shakespeare-era images.**Folger Shakespeare Library**Washington, DC *Stephen C. Enniss***\$119,598** The creation of a digital archive of pre-1641 quarto editions of Shakespeare's plays with a prototype for an interactive interface, toolset, and enhanced functionality.**Fort Des Moines Museum and Education Center**Des Moines, IA *Joseph Nolte***\$7,990\*\*** Disaster recovery assistance for the Fort Des Moines Museum.**Foundation of American Institute for Conservation**Washington, DC *Eryl P. Wentworth***\$200,000** Professional development through workshops offered around the country for conservators responsible for the care of humanities collections.**Franklin County Historical and Museum Society**Malone, NY *Anne Werley Smallman***\$5,000** Purchase of archival preservation materials, storage supplies, and environmental monitoring equipment for the paper-based collections of the society documenting the social, economic, agricultural, and educational history of Franklin County, New York. The collection includes numerous Civil War records and personal manuscript collections reflecting the activities of the 16th Regiment, New York Volunteers. Among additional holdings are the records of the Northern New York Institute for the Deaf-Mute, 1895–1920.**Friends of Iolani Palace**Honolulu, HI *Malia Van Heukelem***\$4,467** The purchase of storage furniture and environmental monitoring equipment to improve the care of collections at Iolani Palace. Its holdings include furniture, paintings, decorative objects, household items, and personal furnishings of the Hawaiian royal family, who lived there from the time it was built in 1882 until the overthrow of the monarchy in 1893.**General Lew Wallace Study and Museum**Crawfordsville, IN *Cinnamon Cay Catlin-Legutko***\$5,000** The purchase of equipment to monitor environmental conditions at the General Lew Wallace Study and Museum, a National Historic Landmark site. The museum's collections of literary works, memorabilia, historical objects, and archival materials document the life of General Lew Wallace (1827–1905), the author of *Ben-Hur*, and a major general in the Union army, a governor of the New Mexico Territory, and a minister to Turkey.**George Mason University**Fairfax, VA *Daniel J. Cohen***\$300,000** Research, development, and testing of tools designed to locate documents in large digital corpora, extract information, and analyze large-scale patterns across texts.**Georgia O'Keeffe Museum**Santa Fe, NM *Barbara Buhler Lynes***\$5,000** Hiring a photographic consultant to assess the preservation needs of 1,752 photographs dating from 1910 to the mid-1980s that were created by O'Keeffe or that document aspects of her work.**German American Heritage Center, Inc.**Davenport, IA *Scharlott Blevins***\$4,966** A general preservation assessment and development of a long-range plan for the care of letters, naturalization papers, passports, photographs, audiotapes, books, and artifacts documenting German immigration and settlement in the area of Davenport, Iowa, from 1795 to the present.**Gibbes Art Gallery**Charleston, SC *Sara Courtenay Arnold***\$3,455** The purchase of storage supplies to preserve a collection of more than 1,000 cellulose nitrate photographic negatives that feature images of Charleston's architecture and landscapes of coastal South Carolina created between 1910 and 1945.**Grambling State University**Grambling, LA *Geoffrey N. Rugege***\$332,112** Development of a web-based trilingual dictionary for Kinyarwanda, Swahili, and English. The two African languages are widely spoken in East and Central Africa. Online collaboration tools would facilitate lexicographical work and allow users to propose additions, subject to editorial approval.**Greater Southwest Historical Museum**Ardmore, OK *Kristin Mravinec***\$5,000** A general preservation needs assessment of a museum holding furniture, tools, and other artifacts, archaeological materials, textiles, books, and archives related to the history and cultures of Oklahoma and the Southwest from the early 1700s to the twentieth century.**Hagley Museum and Library**Wilmington, DE *Theresa R. Snyder***\$450,000** Installation of a climate control system, purchase and installation of storage furniture, and renovations to the Hagley Museum Hall of Records to improve conditions for its artifact and library collections on economic and business history.**Hebrew Union College, Cincinnati**Cincinnati, OH *Stephen A. Kaufman***\$25,000** Technical consultation for publishing and maintaining an online, citation-based dictionary of all dialects of ancient Aramaic from the tenth century BCE to 1400 CE.**The Henry Ford**Dearborn, MI *Judith E. Endelman***\$121,657** Cataloging and improving preservation of the land transport serials collection held by the Benson Ford Research Center, comprising more than 800 titles and 51,000 individual issues published from 1886 to the present.

### Heritage Museums and Gardens

Sandwich, MA *Jennifer Yunginger Madden*

**\$5,000** The purchase of storage cabinets and shelving for large objects in the institution's American history collection, including carousel figures, carved birds, ship models, weathervanes, furniture, and tools.

### Heritage Preservation

Washington, DC *Jane S. Long*

**\$5,000\*\*** Public access to streaming video on coping with water damage.

### Hermitage

Hermitage, TN *Kevin Michael Bartoy*

**\$285,855** The completion of the cataloging of 800,000 artifacts from areas occupied from 1804 to 1858 by enslaved African Americans on Andrew Jackson's residence and plantation.

### Historical Society of Frankford

Philadelphia, PA *Jack McCarthy*

**\$5,000** Purchase of archival storage supplies and equipment to preserve a collection of personal papers, manuscripts, legal records, maps and deeds, photographs, government and military records, works of art on paper, books, and newspapers documenting the history of Philadelphia and the surrounding area.

### Holy Trinity Orthodox Seminary

Jordanville, NY *Vladimir V. Tsurikov*

**\$4,783** A preservation assessment of approximately 10,000 books and 450 linear feet of archives, including rare Russian Orthodox theological books published before the Russian Revolution, Russian émigré periodicals and newspapers, and materials on Byzantine history. The purchase of archival supplies recommended by a preservation consultant will be used to rehouse fragile materials.

### House of Seven Gables Settlement Association

Salem, MA *Alexandria M. Mason*

**\$5,000** A risk assessment, emergency planning, purchase of disaster recovery supplies, and the training of staff at the House of the Seven Gables. Disaster preparedness will help protect the site's six historic homes, including the house where Nathaniel Hawthorne was born and the Turner-Ingersoll-Mansion (1668).

### Hull Lifesaving Museum

Hull, MA *Victoria Catherine Stevens*

**\$5,000** Consultation with preservation specialists on the preparation of a disaster preparedness and response plan and purchase of emergency supplies to protect rare books, photographs, and artifacts documenting the history of maritime lifesaving in America. The museum's historic structure and location make it especially vulnerable to coastal flooding and storms.

### Internet Archive

San Francisco, CA *Kristin Carpenter Negulescu*

**\$106,395** Development of tools and methodologies for indexing and analyzing the textual parts of larger digital collections, more focused browsing of the web, and unified access to data resources.

### Ithaca Harbors, Inc.

New York, NY *Eileen G. Fenton*

**\$350,000** The development of a prototype preservation service that will provide a practical model for the preservation of digitized books. Portico and Cornell University Library will analyze electronic book data, identify a technological infrastructure to preserve electronic books, assess preservation costs and recovery options, create sample service-level agreements, and share the full preservation model with the cultural heritage community.

### James Madison University

Harrisonburg, VA *Julia Michele Merkel*

**\$5,000** The purchase of archival supplies to rehouse manuscript collections documenting the history and culture of Augusta, Page, Rockingham, and Shenandoah Counties in Virginia. The collections, which date from the late eighteenth century to the present, include correspondence, diaries, deeds, wills, indentures, and records from businesses in the Shenandoah Valley. Purchase of a media storage cabinet will help to stabilize items in at-risk formats, such as microfilm and magnetic materials.

### Jewish Educational Media

Brooklyn, NY *Elkanah Shmotkin*

**\$5,000** Hiring an audiovisual preservation specialist to conduct a comprehensive assessment of 1,600 sound and image recordings in the media archives that date from 1920 to the present. The collections document all facets of Jewish life, with an emphasis on the Lubavitch Chasidic tradition.

### Jewish Theological Seminary of America

New York, NY *Naomi Steinberger*

**\$4,800** Hiring an audiovisual preservation specialist to conduct a comprehensive needs assessment of the more than 10,000 sound recordings in the collection and provide in-house training to the library's archivists and librarians. The library has amassed a large and diverse collection of sound recordings pertaining to the history of Jewish music and performance in the twentieth century. The recordings also include speeches, radio broadcasts, and lectures by prominent scholars and public figures documenting the Jewish experience in America.

### Johnson County Historical Society

Coralville, IA *Shaner Magalhaes*

**\$14,741\*\*** Flood recovery for 1876 Coralville Schoolhouse Museum.

### KCSM

San Mateo, CA *Marilyn Lawrence*

**\$5,000** Hiring a recorded-sound preservation specialist to conduct a comprehensive needs assessment of more than 27,000 audio recordings in the radio station's jazz collection.

### L.C. Bates Museum

Hinckley, ME *Deborah Staber*

**\$5,000** Hiring a consultant to conduct preservation workshops for regional museum staff and volunteers and the purchase of preservation supplies for local history collections, archaeological artifacts, and collections related to life at an orphanage, which operated from 1889 to 1930.

### Laramie Plains Museum

Laramie, WY *Connie Lindmier*

**\$4,960** Purchasing environmental monitoring equipment and supplies to preserve a textile collection that relates to the history and culture of south central Wyoming. A training workshop on the appropriate handling of textiles will include staffs of neighboring cultural and history institutions.

### Ligonier Valley Historical Society

Laughlintown, PA *James Koontz*

**\$5,000** Consultation with a conservator to develop a long-range preservation plan for archives related to the history of the Ligonier Valley in Pennsylvania, during the eighteenth and nineteenth centuries.

### Litchfield Historical Society

Litchfield, CT *Linda Marie Hocking*

**\$4,360** Hiring a consultant to conduct a preservation assessment of manuscripts, works of art on paper, maps, architectural drawings, photographs, and posters related to the history of Litchfield, Connecticut, from the eighteenth through the twentieth century.

### Little Compton Historical Society

Little Compton, RI *Helen S. Bridge*

**\$5,000** Purchase of storage furniture and preservation supplies to rehouse artifacts, textiles, books, manuscripts, and other materials that document the history of Rhode Island from the 1700s to the twentieth century.

### Lower East Side Tenement Museum

New York, NY *Stephen H. Long*

**\$5,000** Purchase of storage furniture and preservation supplies to rehouse manuscripts, archives, photographs, and audio and video materials that illustrate life in Lower East Side tenement houses during the late nineteenth and early twentieth centuries.

**Loyola University**New Orleans, LA *Patricia Nugent*

**\$5,000** A preservation assessment and purchase of supplies for the university's Monroe Library collections including materials relating to literature and the arts, public affairs, and political movements. The holdings comprise 15,000 books and 1,835 feet of manuscript and archival material dating from 1831 to the present.

**Macalester College**St. Paul, MN *Ellen Holt-Werle*

**\$4,603** A general preservation assessment of the library's collection of institutional records, manuscripts, photographs, and audio-visual materials documenting the history of Macalester College and the surrounding community.

**MacGregor Charitable Trust**Estes Park, CO *Jane Lopez*

**\$5,000** The purchase of storage supplies and the training of staff and volunteers by a conservation consultant in preparation for rehousing photographs, business and agricultural records, family papers, books, and other materials that document the history of Estes Park, Colorado, and the MacGregor Ranch, a historic high mountain, working cattle ranch, museum, and youth education center.

**Maine Maritime Museum**Bath, ME *Christopher Hall*

**\$197,582** The stabilization of the watercraft collection and construction of visible storage for 117 historic Maine boats.

**Maitland Historical Society**Maitland, FL *Betty Sample*

**\$5,000** Purchase of storage furniture to rehouse archives, photographs, audio and video collections that illustrate life in Maitland, Florida, and surrounding areas during the late nineteenth and early twentieth centuries.

**McArthur Public Library**Biddeford, ME *Renee L. DesRoberts*

**\$4,330** A preservation assessment of the library's special collections, including photographs of Biddeford and its environs from the 1870s through 1960s, glass plate and film negatives from a local photography studio active from 1900 to 1950, and archival materials documenting the history of this former textile-producing area, home to one of Maine's largest Franco-American populations.

**Michigan State University**East Lansing, MI *Mark L. Kornbluh*

**\$349,980** Preserving and providing access to the historic videotape collection and supporting production materials from the series *American Black Journal* produced by Detroit Public Television.

**Michigan Technological University**Houghton, MI *Erik Charles Nordberg*

**\$4,797** The purchase of preservation supplies and equipment for the Michigan Tech Archive and the Copper County Historical Collections documenting the social, cultural, economic and educational history of Michigan's Keweenaw copper mining district. Holdings include books, manuscripts, photographs, engineering drawings, and historic newspapers.

**Midwest Art Conservation Center**Minneapolis, MN *Colin D. Turner*

**\$467,401** A regional preservation field service program that provides surveys, workshops and seminars, disaster assistance, and information services to museums, historical organizations, libraries, and archives in the Upper Midwest.

**Minnesota Historical Society**St. Paul, MN *Dennis Meissner*

**\$176,550** Arrangement and description of the personal papers of Walter F. Mondale, along with selected digitization of photographs and the creation of a dedicated web portal.

**Mint Museum of Art**Charlotte, NC *Jonathan Stuhlman*

**\$5,000** A conservation assessment of the museum's American paintings, which include works by Thomas Sully, Gilbert Stuart, Thomas Cole, George Bellows, and Robert Henri.

**Mohawk Valley Heritage Association**Amsterdam, NY *Ann Marie Peconie*

**\$5,000** The purchase of preservation materials to house textiles, including hand-woven bed sheets, quilts, Indian blankets, army blankets, clothing, flags, and banners relating to the history and culture of New York's Mohawk Valley.

**Morris Museum, Inc.**Morristown, NJ *Deborah Farrar Starker*

**\$25,735\*** The purchase of cabinetry and shelving for the visible storage of the Murtoogh D. Guinness collection of American and European mechanical musical instruments and automata, which date from the early sixteenth to the twentieth century.

**Mount Desert Island Historical Society**Mount Desert, ME *Charlotte Singleton*

**\$5,000** Purchase of storage furniture and environmental monitoring equipment to preserve the drawings and blueprints of noted architect Fred L. Savage, who designed many summer homes and public buildings on Mount Desert Island from 1887 to 1926.

**Mountain Home Public Library**Mountain Home, ID *Nancy Marshall*

**\$5,000** A preservation assessment and training for staff of the Mountain Home Historical Museum, which collects and maintains agricultural, mining, and ranching artifacts as well as maps and county records that document the history of Idaho and the West.

**Muhlenberg College**Allentown, PA *Diane Koch*

**\$5,000** A preservation assessment of the library's special collections, which include rare books, early twentieth-century sheet music, materials on the Pennsylvania Germans, and maps of Pennsylvania and the Lehigh Valley.

**Museum of the Moving Image**Astoria, NY *Carl Goodman*

**\$250,000** Cataloging of 4,028 material culture artifacts from the silent-film era, along with digital imaging of approximately half of these.

**Naperville Heritage Society**Naperville, IL *Louise Howard*

**\$590,588** The purchase of storage furniture and rehousing of approximately 24,000 items from Naper Settlement's archival and material culture collections, which document the history of Naperville from its pioneer days to the present.

**National Book Foundation**New York, NY *Harold Augenbraum*

**\$5,000** A general preservation assessment of the foundation's archives documenting the founding and development of the foundation and its National Book Awards. The collection includes the original letters of literary and political figures, including W. H. Auden, Wallace Stevens, Ralph Ellison, William Faulkner, Saul Bellow, Susan Sontag, and Dwight Eisenhower.

**National Czech and Slovak Museum and Library**Cedar Rapids, IA *David P. Muhlena*

**\$20,000\*\*** The salvage of flood-affected humanities-related materials from the National Czech and Slovak Museum and Library.

**National Museum of Women in the Arts**Washington, DC *Jason Michael Stieber*

**\$5,000** Purchase of storage furniture to preserve archives documenting the history of the museum and manuscripts related to noted twentieth-century women artists Frida Kahlo, Eulabee Dix, Doris Lee, Irene Rice Pereira, Edna Reindel, and others.

**National Orphan Train Complex, Inc.**Concordia, KS *Stephanie Haiar***\$5,000** Purchase of storage furniture and preservation supplies to rehouse correspondence, vital records, photographs, books, and other materials that document the history of the Orphan Train Movement in the United States, 1854 to 1930.**National Press Club Library and Archive**Washington, DC *Christina Zamon***\$5,000** Developing an emergency response and preparedness plan to protect the holdings of the National Press Club, the only archive dedicated to the history of journalism in Washington, D.C. Holdings include 530 linear feet of archival materials, 15,000 photographs, 1,000 blueprints, 700 books, 400 works of art, 10,000 audio and video cassettes, the personal papers of notable journalists, including cartoonist Clifford Berryman, and the archives of the Women's National Press Club.**Navy UDT-SEAL Museum**Fort Pierce, FL *Hilda Ruth McSween***\$5,000** Purchase of storage furniture and preservation supplies to rehouse artifacts, manuscripts, correspondence, maps, photographs, and other records documenting United States Naval Special Warfare operations since World War II.**New Harmony Working Men's Institute**New Harmony, IN *Sherry Graves***\$4,383** The purchase of environmental monitoring equipment to gauge humidity in the storage areas of the library, archives, and museum. This institution serves as the public library for New Harmony Township and is also a historic site of the intellectual and communal societies known as New Harmony (1814–27) and Athens on the Wabash (1828–1900).**New York Public Library**New York, NY *John Lundquist***\$345,800** Cataloging of 1,500 volumes of Chinese rare books of the Ming and Qing Dynasties, with conservation treatment and digitization of ninety-three volumes.**New York University**New York, NY *Howard A. Besser***\$100,000** Eighteen internships for graduate students to gain experience in the identification, inspection, treatment, cataloging, and exhibition of moving images at museums, cultural organizations, and historical societies.**New York University**New York, NY *Michele D'Arcy Marinicola***\$245,719** Graduate education in the conservation of art and material culture collections.**New York University**New York, NY *Roger Bagnall***\$129,828** Development of technologies for integrated searching, dynamic mapping, and geographical correlation of web-based humanities collections, focusing on existing and newly digitized papyrological and epigraphic texts related to Greek and Roman Libya and Egypt.**Norman Rockwell Museum**Stockbridge, MA *Stephanie Haboush Plunkett***\$225,446** Arrangement and description of the Norman Rockwell Archival Collection, containing correspondence, business records, ephemera, and the contents of Rockwell's art studio.**Northeast Document Conservation Center**Andover, MA *Lori Ranada Foley***\$236,250** A preservation field service program that provides surveys, workshops and seminars, technical consultations, and disaster assistance to institutions in the Northeast.**Oberlin College**Oberlin, OH *Stephanie Wiles***\$590,900** The purchase of storage furniture for more than 3,800 paintings and objects from the Allen Memorial Art Museum's collection of world art.**Occidental College**Los Angeles, CA *Emily Anne Bergman***\$5,000** Staff training in disaster preparedness and response and in the care and handling of the college's special collections that include rare books, archival papers, photographs, and other materials covering a wide variety of topics, such as California history and architecture, the works of poet Robinson Jeffers, and the history of aviation.**Ohio Historical Society**Columbus, OH *Angela K. O'Neal***\$353,069** Digitization of 100,000 pages of Ohio's microfilmed newspapers from 1880 to 1922, as part of the National Newspaper Digital Program.**Ohr-O'Keefe Museum of Art**Biloxi, MS *Anna Harris***\$5,000** The purchase of supplies to rehouse the museum's collection of George E. Ohr ceramics, which had been quickly relocated after Hurricane Katrina and would now be placed in archival quality enclosures. These ceramics, dating from 1879 to 1907, are early examples of art pottery and are known for their fragility, paper-thin edges, and highly colored glazes.**Old Lyme-Phoebe Griffin Noyes****Library Association**Old Lyme, CT *Jill Adams***\$5,000** A general preservation survey of library and archival materials and training for staff in the care and handling of collections, which consist of family histories, genealogies, and church and cemetery records documenting the history of Connecticut and New England.**Oregon Historical Society**Portland, OR *MaryAnn T. Campbell***\$5,000** Purchase of preservation supplies to rehouse 150 linear feet of archival collections, including business records, military records, ethnographic materials, correspondence, diaries, scrapbooks, playbills, posters, and advertising materials dating from the mid-1800s to the present, reflecting the history and culture of Oregon and the greater Pacific Northwest.**Paris Gibson Square Museum of Art**Great Falls, MT *Robert Anthony Durden***\$5,000** A preservation assessment of the museum's collections, consisting primarily of American Primitive wood sculptures and modern and contemporary art of the Northwest and Native-American art of the Northwest and the Plains. Purchase of shelving, supplies, and environmental monitoring equipment would improve storage conditions for the collections.**Pasadena Museum of History**Pasadena, CA *Laura Verlaque***\$5,000** Hiring a consultant to conduct a preservation assessment of the archives of the Pasadena Museum of History. Holdings include prints, negatives, slides, glass plates, stereographs, and postcards; photo albums and scrapbooks; special collections; manuscripts; maps; ephemera; books; periodicals and newspapers; and city directories. These materials range in date from the 1850s to the present and relate to the history and culture of the city of Pasadena, California.**Pennsylvania State University, Main Campus**University Park, PA *Suzanne Kellerman***\$393,650** Digitization of 100,000 pages of Pennsylvania newspapers, dating from 1880 to 1922, as part of the state's participation in the National Digital Newspaper Program.**Pennsylvania Trolley Museum, Inc.**Washington, PA *Scott R. Becker***\$4,800** The purchase of preservation supplies to rehouse 20,000 images created from 1890 to the present that document the history of electric railways in Pennsylvania.

**People, Inc.**

Williamsville, NY *Lynn Beman*

**\$5,000** Purchase of storage furniture and preservation supplies for the care of books, correspondence, photographs, and artifacts related to the historical treatment of the developmentally disabled in the United States.

**Philadelphia Museum of Art**

Philadelphia, PA *Innis Howe Shoemaker*

**\$50,000\*** The purchase of storage furniture for the museum's 150,000 prints, drawings, and photographs, which will be relocated to the recently acquired Perelman Building after its renovation and expansion.

**Poe Foundation, Inc.**

Richmond, VA *Katarina Maria Spears*

**\$4,992** A general preservation assessment and purchase of environmental monitoring equipment for the preservation of correspondence, books, artifacts, and other materials related to the life of American poet Edgar Allen Poe.

**Portland Museum**

Louisville, KY *Nathalie Taft Andrews*

**\$364,126** The improvement of environmental conditions to preserve collections of historical objects, costumes, paintings, drawings, photographs, books, documents, and oral histories that document the history of Portland, Kentucky.

**Presidio La Bahia Foundation**

Goliad, TX *Newton M. Warzecha*

**\$5,000** Engaging a conservator to conduct a general preservation assessment of a facility holding tools, ceramics, architectural artifacts, and other archaeological objects that reflect the Spanish Colonial era in Texas.

**Quincy University**

Quincy, IL *Patricia Tomczak*

**\$5,000** A preservation assessment of rare book and archival collections, including a local history collection of documents and photographs on Quincy, Illinois, during the Civil War and steamboat eras; an early collection of African-American folklore; and a collection of books, manuscripts, and letters on seventeenth- and eighteenth-century Franciscan missionary work in Mexico and the American Southwest.

**RIPM Consortium Ltd.**

Baltimore, MD *H. Robert Cohen*

**\$350,000** The online retrieval of the full texts of more than 500,000 scholarly articles on music from an online database that incorporates eighty-nine journals in thirteen languages and covers the period 1800 to 1950.

**Rockland County Archives**

Pomona, NY *Peter J. Scheibner*

**\$5,000** Purchase of preservation supplies to rehouse two collections of archival records documenting immigration and land use in Rockland County, New York, from the early 1800s through the twentieth century.

**Salem Art Association**

Salem, OR *Sara Swanborn*

**\$4,300** Hiring a preservation consultant to conduct a conservation assessment of the Bush House Museum's textile collection, reflecting the history and culture of Salem, Oregon.

**San Diego Archaeological Center**

San Diego, CA *Cindy T. Stankowski*

**\$5,000** Hiring a consultant to create a disaster preparedness plan and to conduct staff training on the care and safety of archaeological artifacts that document the early culture of the San Diego region to the twentieth century. The artifact collection includes prehistoric projectile points, other stone tools, and ceramic vessels.

**Sandusky Library**

Sandusky, OH *Ron Davidson*

**\$4,884** Purchase of storage supplies, a disaster recovery kit, and environmental monitoring equipment to preserve the library's archives and special collections documenting the history of the city of Sandusky and Erie County, Ohio.

**Sewall-Belmont House and Museum**

Washington, DC *Mary Ann van Balgooy*

**\$4,920** Consultation with a conservator to plan for the storage of collections at the Sewall-Belmont House and Museum, the headquarters of the historic National Women's Party and the home of NWP's founder, Alice Paul. The collections document the history of women's suffrage and equal rights campaigns from 1913 to the 1970s and include archival records, furniture, fine and decorative arts, textiles, and memorabilia.

**Shady Side Rural Heritage Society**

Shady Side, MD *Janet Harris Surrent*

**\$4,991** Analysis of environmental monitoring data and development of a plan to improve environmental conditions in the historic Captain Salem Avery House, where collections and exhibitions explore the history of a Chesapeake Bay community in the nineteenth and twentieth centuries.

**Sheldon Museum and Cultural Center, Inc.**

Haines, AK *Jerrie Clarke*

**\$4,547** Hiring a conservator to oversee the remounting of Tlingit blankets and other textiles that reflect the art and culture of an Alaskan Native community. The project would also purchase the supplies and materials necessary to mount the textiles, which are part of a permanent exhibit.

**South Coast Railroad Museum**

Goleta, CA *Gary Brian Coombs*

**\$5,000** A conservation assessment of a Southern Pacific Railroad caboose, which is the most significant item in the museum's collection for the interpretation of the historic Goleta Depot, built in 1901 during completion of the route between San Francisco and Los Angeles. The assessment will form the basis for a conservation plan for the caboose, which is heavily used by museum visitors.

**Southeastern Library Network, Inc.**

Atlanta, GA *Marlee Dorn Givens*

**\$500,000** A regional preservation field service program that provides preservation surveys, workshops, and educational materials to libraries, archives, and historical organizations in the Southeast.

**Spelman College**

Atlanta, GA *Taronda Spencer*

**\$122,742** The purchase and installation of compact shelving to house the college's archives and special collections, which date from the late 1880s.

**St. Michael's College**

Colchester, VT *Elizabeth Scott*

**\$4,980** Hiring a photographic consultant to assess the preservation needs of seventy-two linear feet of photographic prints and negatives that document the work of the Society of Saint Edmund, a Catholic missionary order founded in 1843, and active in the southern United States, particularly Alabama, North Carolina, and Louisiana, from 1937 to the present.

**Stan Hywet Hall and Gardens, Inc.**

Akron, OH *Sylvia Schveri*

**\$4,975** The purchase of equipment for monitoring environmental conditions in Stan Hywet Hall, a National Historic Landmark Tudor Revival house, which contains 95 percent of the furniture, decorative arts, household goods, photographs, and works on paper that belonged to the Seiberling family, cofounders of Goodyear Tire.

**State Historical Society of Missouri**Columbia, MO *Seth Andrew Smith***\$179,740** Digitization of 100,000 pages of Missouri newspapers, dating from 1880 to 1922, as part of the National Digital Newspaper Program.**Strawbery Banke Museum**Portsmouth, NH *Kimberly Alexander***\$4,998** The purchase of cleaning equipment and storage materials for the museum's textile collections. The textile collections help to document the early history and culture of Portsmouth, New Hampshire, and communities along the Piscataqua River.**Sullivan County Historical Society, Inc.**Sullivan, IN *Anthony Stringfellow***\$12,975\*\*** Emergency protection of collections after June 2008 flood.**SUNY Research Foundation,  
Buffalo State College**Buffalo, NY *Elizabeth S. Pena***\$250,000** Graduate training for conservators specializing in the preservation of humanities collections, including ethnographic and archaeological materials, works on paper, books, and photographs.**SUNY Research Foundation**Albany, NY *Jeremy Linden***\$5,000** The purchase of environmental monitoring equipment for the State University of New York, Fredonia Archives and Special Collections of more than 1,600 linear feet of institutional archives and manuscript collections documenting the history of the university, the Seneca Nation, and western New York State.**Texas A & M Research Foundation**College Station, TX *Patricia Clabaugh***\$3,436** Hiring a consultant to conduct general preservation and management assessments of tools, ceramics, and other ethnographic objects, field records, photographs, and other records associated with archaeological research sites in the United States and around the world.**Thomas Jefferson Foundation, Inc.**Charlottesville, VA *Jillian E. Galle***\$132,832** The development of an integrated digital archive of diverse archaeological and historical data related to the experiences of African slaves who labored on seventeenth-, eighteenth- and nineteenth-century sugar plantations in the Caribbean.**Tudor Place Foundation, Inc.**Washington, DC *Leslie Buhler***\$30,000\*\*** At-risk archives at Tudor Place.**Tudor Place Foundation, Inc.**Washington, DC *Leslie Buhler***\$5,000** A conservation assessment of paintings and miniatures in order to identify treatment priorities and recommendations for rehousing. Tudor Place was the home of Thomas Peter and Martha Parke Custis Peter, the granddaughter of Martha Washington, and was occupied by six generations of one family until 1983. The works of art to be surveyed include many early portraits, such as a 1794 miniature in watercolor on ivory of George Washington, which was painted by Walter Robinson at the request of Martha Custis Peter upon her engagement.**Tufts University**Medford, MA *Gregory R. Crane***\$284,999** Research on methods to generate a dynamic lexicon for a text corpus in a digital library. Using Greek and Latin texts, the project would investigate processes to enumerate possible senses for the words being defined and provide detailed syntactic information and statistical data about their use in a corpus.**Tufts University**Medford, MA *Gregory R. Crane***\$119,992** Creation of a digital collection of fragmentary writings of Greek historians and development of a virtual research environment for Greco-Roman antiquity using grid technologies that would be broadly applicable to other humanities disciplines.**University of Arkansas, Fayetteville**Fayetteville, AR *Jesse Casana***\$338,045** The creation of a digital archaeological atlas of selected sites from the greater Near East (North Africa to Central Asia) based on CORONA satellite images.**University of Arkansas, Monticello**Monticello, AR *Mary Cleta Heady***\$4,982** The purchase of archival preservation supplies and a training workshop for the staff of the University's archives and special collections. The collection includes 603 linear feet of books and periodicals and 110 linear feet of newspaper materials in print and microfilm documenting the history of Southeast Arkansas, the University of Arkansas at Monticello, and the Ashley, Drew, and Northern Railroads.**University of California, Berkeley**Berkeley, CA *Charles Bailey Faulhaber***\$15,000\*** The upgrading and enhancement of a web-based bio-bibliographical database, PhiloBiblon, which currently provides access to major projects on the culture of medieval and early modern Spain.**University of California, Berkeley**Berkeley, CA *Deborah Winthrop Anderson***\$40,000\*** Incorporation into the Unicode standard of fifteen historical and minority language scripts.**University of California, Berkeley**Berkeley, CA *James A. Matisoff***\$50,000** Consultation to develop a long-term sustainability plan for an online etymological dictionary and thesaurus of Proto-Sino-Tibetan, the common ancestor of languages spoken in China, India, and Southeast Asia.**University of California, Los Angeles**Los Angeles, CA *Willemina Z. Wendrich***\$350,000** The second phase of development of an online encyclopedia with 1,000 peer-reviewed entries averaging 1,500 words on the history and culture of Egypt from 5500 BCE to 641 CE.**University of California, Riverside**Riverside, CA *Henry L. Snyder***\$200,000** The creation of 17,500 full bibliographic records for items published from 1642 to 1701, which will complete the base file of the *English Short Title Catalog*.**University of California, Santa Barbara**Santa Barbara, CA *M. Patricia Fumerton***\$350,000** Digitizing images of 1,500 seventeenth-century English ballads held by the British Library, as well as illustrative woodcuts, facsimile transcriptions, contextual essays, and audio files of sung versions of the ballads, and incorporating them into an electronic archive.**University of Chicago**Chicago, IL *Matthew W. Stolper***\$350,000** Cataloging and digitizing administrative documents dating from 500 BCE from Persepolis, the chief imperial residence of the Achaemenid kings in the homeland of the ancient Persian Empire.**University of Chicago**Chicago, IL *Nathan S. Tarcov***\$30,000\*\*** Leo Strauss Center.**University of Colorado, Boulder**Boulder, CO *Allaina Wallace***\$4,978** A general preservation assessment of archives comprised of 1,400 maps, 8,000 photographic prints, 1,400 glass plate negatives, 1,600 color slides, 7,000 ice charts, and 38 cubic feet of manuscripts documenting the history of science and exploration in cold regions. The collections include the historical records of the World Data Center and the National Snow and Ice Data Center.

**University of Delaware**Newark, DE *Debra H. Norris***\$256,680** Graduate education in the conservation of material culture collections.**University of Denver**Denver, CO *Brooke Rohde***\$3,675** Hiring of a conservator to conduct a preservation needs assessment of collections of basketry, pottery, ceramics, and other archaeological artifacts representing a wide range of cultures from the American Southwest and around the world.**University of Florida**Gainesville, FL *Rebecca M. M. Nagy***\$226,685\*** The improvement of storage and environmental conditions for the Harn Museum of Art's 6,200 works of African and Asian art, modern art of Europe and the Americas, international contemporary art, and photography.**University of Georgia**Athens, GA *William Kretzschmar, Jr.***\$349,600** Digitization of interviews from the Linguistic Atlas Project, including 6,400 hours of audio interviews with speakers of American English from the 1960s to the 1990s.**University of Hawai'i, Manoa**Honolulu, HI *Joan Hori***\$200,000** Digitization of 25,000 pages of Hawai'i newspapers, dating from 1880 to 1922, as part of the National Digital Newspaper Program.**University of Illinois**Champaign, IL *Laura Kozuch***\$111,278** The completion of the cataloging and rehousing of around 500 cubic feet of materials excavated since 1920 at Cahokia, a prehistoric site in Illinois dated 1200 to 1300 CE.**University of Illinois**Urbana, IL *Ellen Swain***\$4,998** The purchase of preservation supplies and environmental monitoring equipment for the Stewart S. Howe Collection, one of the largest collections of national fraternity and sorority materials in the United States. It contains over 350 cubic feet of records, dating from 1810 to the present, including books, journals, newsletters, clippings, correspondence, photographs, and student files reflecting campus life at more than 300 American colleges and universities.**University of Illinois**Urbana, IL *Mary Stuart***\$402,222** The cataloging of 1,100 newspaper titles as part of Illinois's participation in the United States Newspaper Program.**University of Michigan**Ann Arbor, MI *Mary Lynn Heining***\$5,000** Preservation planning and environmental monitoring at Fair Lane, a National Historic Landmark, built in 1915 for Henry and Clara Ford. The historic house museum, with its original furnishings as well as period and reproduction pieces, is used to examine the Ford family's impact on American life.**University of Michigan**Ann Arbor, MI *Nancy McGovern***\$299,177** Four week-long workshops for advanced training in the preservation of digital materials in cultural institutions and six shorter topical workshops, addressing selected issues in depth. A total of 192 members of the managerial and technical staffs of collecting institutions would participate. In addition, an online introductory tutorial on the basics of digital preservation would be freely available.**University of Montana**Missoula, MT *Donna E. McCrea***\$5,000** Hiring a photographic preservation consultant to assess a collection of 50,000 historic images dating from 1860 to the 1980s and housed in the Maureen and Mike Mansfield Library at The University of Montana-Missoula.**University of Nebraska**Lincoln, NE *Mark Joseph Awakuni-Swetland***\$348,800** The preparation of an online dictionary of Omaha and Ponca, mutually intelligible Siouan languages spoken in Nebraska and Oklahoma.**University of North Carolina**Chapel Hill, NC *Steven M. Weiss***\$138,273** The transfer to digital format of 2,350 hours of analog audio recordings from seven collections held in the university's Southern Folklife Collection, which documents the history and culture of the region through music and oral history.**University of North Carolina**Charlotte, NC *Robert A. McInnes***\$3,228** Hiring an audiovisual preservation specialist to conduct a comprehensive needs assessment of 804 reels of historic television news film from 1959 to 1981, produced by Charlotte's WBTV, the oldest television broadcasting station in the Carolinas.**University of Oklahoma**Norman, OK *Sean O'Neill***\$348,800** Fieldwork on the grammar, lexicon, and storytelling traditions of the Plains Apache, speakers of an endangered Athabaskan language in Oklahoma. The project would result in a database, which would be used to produce a dictionary and a collection of texts.**University of Pennsylvania**Philadelphia, PA *Grant Frame***\$251,046** Online publication of the official inscriptions of the rulers of ancient Assyria, which are preserved on clay tablets and other artifacts. The project would also provide transliterations, translations, and bibliographic information.**University of Southern Maine**Portland, ME *Yolanda Theunissen***\$466,009** The purchase of compact storage systems for the Osher Map Library and the rehousing of 100,000 rare and semi-rare maps, atlases, globes, and explorers' accounts dating from 1475 to 1950.**University of Texas**Austin, TX *Mary Ellen Cunningham-Kruppa***\$504,204** The graduate education of conservators and preservation administrators in the care of library and archival collections in the humanities.**University of Texas**Austin, TX *Mary Ellen Cunningham-Kruppa***\$5,225\*** The education of preservation administrators and conservators in the care of library and archival collections in the humanities.**University of Texas**Austin, TX *Don E. Carleton***\$173,930** Conservation of ten linear feet of diaries and other papers of Stephen F. Austin and his family related to the creation of the Republic of Texas, 1676 to 1873.**University of Toronto**Toronto, Canada *Antonette diPaolo Healey***\$100,000** The preparation of entries for the *Dictionary of Old English*, a historical dictionary based on the entire extant corpus of Old English texts written between 650 and 1150 CE.**University of Toronto**Toronto, Canada *Antonette diPaolo Healey***\$133,000\*** The preparation of entries for the *Dictionary of Old English*, a historical dictionary based on the entire extant corpus of Old English texts written between 650 and 1150 CE.**University of Tulsa**Tulsa, OK *I. Marc Carlson***\$4,500** A preservation assessment of books, manuscripts, periodicals, maps, and posters in the special collections of McFarlin Library. Collection strengths include archival materials on literary authors, such as James Joyce, V. S. Naipaul, Rebecca West, and F. Scott Fitzgerald; historical resources on Oklahoma and Tulsa; and modernist literature of the early twentieth century.

**University of Virginia**Charlottesville, VA *Edward F. Gaynor*

**\$49,557** Conservation treatment of four linear feet of the John Randolph papers. Randolph (1773–1833) was a Virginia planter, slave owner and, later, liberator and influential congressman.

**University of Wisconsin**Eau Claire, WI *Colleen McFarland*

**\$4,837** A general preservation assessment of a collection of manuscripts, county and municipal records, and business archives documenting the history, culture, social life and industry in the Chippewa Valley region.

**University of Wisconsin**Madison, WI *Joan H. Hall*

**\$50,000** The compilation of the fifth and sixth volumes of the *Dictionary of American Regional English*, which documents geographical differences in the vocabulary, pronunciation, and morphology of American English.

**University of Wisconsin**Madison, WI *Russell Panczenko*

**\$4,958** A conservator's assessment of the collections of the Chazen Museum of Art to identify potential risks and recommend preventative measures to protect the collections during the construction phase of a building expansion and renovation. The assessment would also guide revisions to the museum's plan for disaster preparedness and response.

**University of Wisconsin**Madison, WI *Sissel Schroeder*

**\$5,000** A general preservation assessment and the creation of a long-term preservation plan for archaeological, ethnographic, and biological artifacts. The collections are used for research and teaching and include stone and bone tools, pottery, clay figurines, basketry, textiles, archives, maps, and photographs documenting archaeological sites from around the world.

**Ursinus College**Collegedale, PA *Julie M. Choma*

**\$5,000** A condition survey of fifty-five modern works of outdoor sculpture held by the college's museum, including pieces by Lynn Chadwick, J. Seward Johnson, G. Noble Wagner, Steve Tobin, and Harry Bertoina.

**Vassar College**Poughkeepsie, NY *Sabrina Pape*

**\$5,000** A preservation assessment of humanities collections held in the main library's special collections and in the art library and music library. With a particular strength in English and American literature, the collections include books, journals, music scores, videos, sound recordings, microfilm, and maps.

**Walters Art Museum**Baltimore, MD *William Noel*

**\$307,500** Cataloging and digitizing 236 Islamic illuminated manuscripts, which contain 53,000 folios that date from the ninth to the nineteenth century. Images and catalog data would be freely accessible via the museum's website and available through a portal maintained by Johns Hopkins University.

**Washington County Historical Society and Museum**Portland, OR *Jennifer Kozik*

**\$4,965** Purchasing storage furniture to rehouse the historical society's collections, including Native American artifacts, agricultural implements, furniture, logging tools, textiles, and library and archival materials, related to the history and culture of the Portland area.

**Washington State Library**Olympia, WA *Marlys Rudeen*

**\$341,424** Digitization of 100,000 pages of Washington State's microfilmed newspapers from 1880 to 1922, as part of the National Newspaper Digital Program.

**Women's Studio Workshop**Rosendale, NY *Ann E. Kalmbach*

**\$5,000** Purchase of storage furniture and preservation supplies to rehouse archives, scrapbooks, photographs, posters, and other records documenting the work of women artists and the history of the Women's Studio Workshop since its founding in 1974.

**Woodlawn Museum**Ellsworth, ME *Rosamond S. Rea*

**\$5,000** A preservation assessment of a rare and nationally significant bed manufactured in 1827 in the Napoleonic style, including its original bed-hangings, valance, curtains, and cornice elements. Accompanying archival materials contain bills of sale, an unused bolt of silk fringe, original drawings and notes made by the upholsterer on the fabrication and installation, and photographs of the bed from 1880 to 1900.

**Woodrow Wilson Presidential Libraries**Staunton, VA *Eric James Vettel*

**\$5,000** A preservation assessment of archival materials relating to the life and presidency of Woodrow Wilson, including the papers of President Wilson's personal physician and confidante, documents and photographs from Wilson's military driver during battlefield tours, and correspondence from the family of Wilson's first wife. The purchase of archival supplies will be used to rehouse documents and photographs.
