**REVISED:** MARCH 20, 2012: move Montana from 2014 into 2015

**Revised:** March 21, 2013: move NC from 2013 into 2014, move Ohio into 2012 from 2011

**Revised:** **February 26, 2014**: move RI from 2013 into 2014; move Maryland and Oregon from 2014 into 2015, move Northern Marianas from 2015 into 2016. NOTE: Guam's site visit was delayed until February 2014 due to October 2013 government shutdown. Guam might prefer its next site visit in 2019 rather than 2018. TBD

**\*UPDATE,** 4/15/2014: California has been delayed due to departure of executive director in May of 2014. Must be re-scheduled when a new director is in place. Most likely will need to be moved into 2015 or 2016 cycle.

**UPDATE,** 6/18/2014. Missouri moved out of 2015 and into 2016 due to departure of executive director in late May 2014, and at the request of the Council to give itself time to hire a new director and have that person in place for several months before taking on self-assessment.

**UPDATE,** 2/4/2015: Michigan is on Hold due to departure of executive director in October 2014, the appointment of an interim, and the board's decision to delay the search for the next permanent director until at least January 2016. California is moved into 2016 following the appointment of a new director who began work at the Council in February of 2015.
