

OFFICE OF COMMUNICATIONS

**NATIONAL ENDOWMENT FOR THE HUMANITIES
INFRASTRUCTURE AND CAPACITY-BUILDING CHALLENGE GRANTS
AWARDS AND OFFERS, AUGUST 2018**

ALASKA (1) \$750,000

Juneau

Juneau Arts and Humanities Council Match: \$750,000
[Infrastructure and Capacity-Building Challenge Grants]
Project Director: Nancy DeCherney
Project Title: The New Juneau Arts and Culture Center: Strengthening the Humanities in Alaska Project
Project Description: Construction of a new Juneau Arts and Culture Center in downtown Juneau, Alaska.

ARIZONA (2) \$576,106

Scottsdale

Frank Lloyd Wright Foundation Match: \$176,106
[Infrastructure and Capacity-Building Challenge Grants]
Project Director: Fred Prozzillo
Project Title: Taliesin West Accessibility and Infrastructure Improvements
Project Description: A project to support accessibility upgrades and theater renovations to Taliesin West, Frank Lloyd Wright's winter home and studio from 1937 until his death in 1959. The project would also support the design of comprehensive engineering plans for the replacement of the site's failing water and sewage infrastructure.

Yuma

Arizona Western College Match: \$400,000
[Infrastructure and Capacity-Building Challenge Grants]
Project Director: Jana Moore
Project Title: Arizona Western College's Project Impact
Project Description: The renovation of Arizona Western College's library to include a digital humanities center that supports the college as well as three other public universities.

CALIFORNIA (4) \$2,076,593

La Jolla

University of California, San Diego Match: \$750,000
[Infrastructure and Capacity-Building Challenge Grants]
Project Director: Cristina Della Coletta
Project Title: A Cornerstone for the Humanities: The Institute of Arts and Humanities

Project Description: The construction of a new Institute of Arts and Humanities, located in the university's Arts and Humanities Building, to support scholarly research and collaborative programming in the areas of global, public, and digital humanities.

San Francisco

Alexandria Archive Institute, Inc. Match: \$500,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Sarah Kansa

Project Title: Expanding and Sustaining an Open Future for the Past: Data Literacy and Community-Building in Digital Heritage

Project Description: The expansion of archaeological data publishing and archiving services, development of a data literacy program for the broader public, and establishment of a consortium to sustain open access to archaeological data in the future.

Mechanics' Institute Match: \$500,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Ralph Lewin

Project Title: Securing the Future

Project Description: A project to repair and restore the brick façades and steel framing of the 1910 Beaux-arts building that serves as the “hub” for approximately 175 programs each year; the Mechanics' Institute houses a library of nearly 150,000 volumes, as well as an extensive digital collection focused on literature, California history, and Western Americana.

Santa Barbara

University of California, Santa Barbara Match: \$326,593
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Bruce Robertson

Project Title: Collection Preservation and Study Center

Project Description: Renovation of a university property to house the museum's collections as well as a research and study center.

CONNECTICUT (1) \$250,000

Fairfield

Fairfield University Match: \$250,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Brent Mai

Project Title: Fairfield University Special Collections

Project Description: The renovation of an existing space within the university's DiMenna-Nyselius Library to create a facility dedicated to special collections; it would include a reading room, a collections storage room, and a preservation and digitization lab.

DISTRICT OF COLUMBIA (1) \$250,000

Washington

Jewish Historical Society of Greater Washington Match: \$250,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Kara Blond

Project Title: Building a new Jewish Museum in Washington, D.C.

Project Description: Design and construction of a new Jewish museum in Washington, D.C., including relocation and renovation of a historic 1876 synagogue.

GEORGIA (2) \$865,000

Atlanta

HBCU Library Alliance Match: \$365,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Sandra Phoenix

Project Title: Building Capacity for Humanities Special Collections at Historically Black Colleges and Universities

Project Description: The delivery of collections care services and training opportunities for members of the Historically Black Colleges and Universities (HBCU) Library Alliance, in order to strengthen stewardship of special collections documenting the African American experience.

Savannah

Georgia Historical Society, Inc. Match: \$500,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Lynette Stoudt

Project Title: Next Century Initiative Capital Campaign Challenge Grant

Project Description: Renovations to the Research Center of the Georgia Historical Society, resulting in increased space, better environmental conditions, and an improved ability to care for a historical collection totaling more than 4 million items.

IOWA (1) \$500,000

Dubuque

Dubuque County Historical Society Match: \$500,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Cristin Waterbury

Project Title: Preservation & Restoration through Campus Improvements

Project Description: The renovation of climate control systems in a history museum along with the restoration of several associated historic structures, which together document the history of the Mississippi River and of the people who lived on its banks.

KANSAS (1) \$406,542

Lawrence

University of Kansas Center for Research, Inc. Match: \$406,542

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Saralyn Hardy

Project Title: Infrastructure Improvements to the Spencer Museum of Art's Collection Storage, Freight Elevator, and Galleries

Project Description: Improvements to an art museum, including the purchase of compact shelving for a collection storage area housing two-dimensional framed works of art and three-dimensional objects; mechanical repairs to a freight elevator; and renovations to two long-term exhibition galleries.

LOUISIANA (1) \$250,000

New Orleans

Louisiana Endowment for the Humanities Match: \$250,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Miranda Restovic

Project Title: Building Civic Engagement & Understanding: The John Scott Center

Project Description: The construction of The John Scott Center, a humanities center located in the Louisiana Endowment for the Humanities' Turners' Hall headquarters that would invite public humanities engagement based on the work of local New Orleans artist John Scott.

MASSACHUSETTS (2) \$1,250,000

Boston

Northeastern University Match: \$500,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Daniel Cohen

Project Title: Research Infrastructure for Digital Scholarship

Project Description: Expansion of digital scholarship infrastructure and technical capacity through the creation of four new staff positions to undertake technical development, documentation, and integration using five pilot projects.

WGBH Educational Foundation Match: \$750,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Karen Cariani

Project Title: WGBH Digital Infrastructure Project

Project Description: The development of a digital asset management system, the improvement of a public access website, and the digital conversion of 83,000 audiovisual recordings in the WGBH Media Library and Archives.

MICHIGAN (1) \$500,000

Lansing

Michigan Department of Natural Resources and Environment Match: \$500,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Sandra Clark

Project Title: The "Heart of Turtle Island": Heritage Site in Michigan's Upper Peninsula

Project Description: The completion of planning and first phase of construction for a cultural heritage complex in Straits State Park in St. Ignace, Michigan, focusing on the history and culture of the region's Native American people and early French settlers.

MISSOURI (1) \$100,000

Kansas City

Nelson-Atkins Museum of Art Match: \$100,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Douglas Allen

Project Title: Digital Asset Manager System

Project Description: The purchase of a Digital Asset Management (DAM) system and hiring a Content Database Specialist at the Nelson-Atkins Museum of Art. An improved DAM system would provide staff and the public with access to educational materials and information about many of the 40,000 works in the museum collection.

NEW YORK (1) \$700,000

Brooklyn

Brooklyn Museum of Arts and Sciences Match: \$700,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Susan Fisher

Project Title: Mobilization of Collection through Storage Assessment

Project Description: A systematic review of the Brooklyn Museum's onsite and offsite storage in order to facilitate collection sharing, expand humanistic knowledge, improve the preservation and visibility of holdings, and accommodate a new collection gallery and additional onsite storage.

NORTH CAROLINA (2) \$770,482

Elizabeth City

Elizabeth City State University Match: \$350,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Melissa Stuckey

Project Title: Northeastern North Carolina African American Research and Cultural Heritage Center

Project Description: Renovation of two 1920s-era school buildings located on the campus of a historically black university leading to their conversion into a fully equipped humanities center.

Winston-Salem

Reynolda House, Inc. Match: \$420,482

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Phil Archer

Project Title: Reynolda House Roof Renovation

Project Description: A project to repair the 100-year old roof at the Reynolda House Museum of American Art, once the country estate of R.J. and Katharine Reynolds. Repair of the historic tile roof would preserve the museum's collection of fine art, which includes works by Thomas Cole, Grant Wood, and Georgia O'Keeffe, among others, and enable the museum to conduct humanities programming for research, education, and the public.

OHIO (1) \$500,000

Cincinnati

Cincinnati Art Museum Match: \$500,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Ainsley Cameron

Project Title: Re-envisioning the Art and Architecture of the Near East

Project Description: Capital improvements and reinstallation of the Ancient Near Eastern gallery at the Cincinnati Art Museum. Activities would include upgrading lighting, flooring, and windows in the exhibition space, as well as cleaning, conserving, and remounting up to 1000 pieces of Nabataean sculpture and decorated architecture—the largest collection of material of its kind outside of Jordan.

PENNSYLVANIA (1) \$500,000

Philadelphia

Philadelphia Museum of Art Match: \$500,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Gail Harrity

Project Title: Construction of Early American Art Galleries

Project Description: The renovation of the historic 1928 main building of the Philadelphia Museum of Art leading to increase gallery space to display its permanent collection of early American Art, which encompasses nearly 12,000 objects ranging in date from the colonial period through the mid-1800s.

RHODE ISLAND (1) \$450,000

Providence

Providence Public Library Match: \$450,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Jack Martin

Project Title: PPL Special Collections Renovation: Investing in Public Humanities Sustainability and Access

Project Description: Renovations to the library's special collections division to update environmental and structural conditions for optimal preservation, to create a space for improved scholarly and public access to the materials, and to implement informal educational programming designed to engage students with the collections.

TENNESSEE (1) \$400,000

Knoxville

Pellissippi State Technical Community College Foundation Match: \$400,000

[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Susan Martel

Project Title: The Appalachian Heritage Project

Project Description: The renovation of unused building space to house a new learning resource center and the Appalachian Heritage Project collection and related educational activities and public programming.

TEXAS (1) \$750,000

Houston

Museum of Fine Arts, Houston Match: \$750,000
[Infrastructure and Capacity Building Challenge Grants]

Project Director: Gary Tinterow

Project Title: Construction of Six Multidisciplinary Galleries in a New Modern and Contemporary Exhibition Building

Project Description: The construction of six galleries within a new exhibition building for modern and contemporary art that would display works from the United States, Europe, Latin America, and Asia in all media and allow for flexible, interdisciplinary humanities presentations.

WASHINGTON (2) \$950,000

Seattle

Burke Museum Association Match: \$450,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Eldon Tam

Project Title: New Burke Museum Construction of Long-Term Cultural Exhibits

Project Description: The construction of three long-term cultural exhibit spaces as part of the new facility for the Burke Museum of Natural History and Culture. The grant would support building out the Ethnology Gallery, the Archaeology Gallery, and the Northwest Native Art Gallery, including casework, graphic panels, physical interactives, models, dioramas, lighting, and electrical elements.

Seattle Art Museum Match: \$500,000
[Infrastructure and Capacity-Building Challenge Grants]

Project Director: Kimerly Rorschach

Project Title: Seattle Asian Art Museum Renovation and Expansion

Project Description: Critical upgrades of the museum's infrastructure to improve energy efficiency, climate control, and structural integrity.

WEST VIRGINIA (1) \$400,000

Huntington

Cabell County Public Library Match: \$400,000
[Infrastructure and Capacity Building Challenge Grants]

Project Director: Judy Rule

Project Title: Construction of New 14,000-Square-Foot Barboursville Library Branch

Project Description: The construction of a new public library branch to expand library service and deliver more humanities programming to the Barboursville, West Virginia, community.
