Executive Summary

The National Endowment for the Humanities (NEH) Division of Preservation and Access is accepting applications for the Cultural and Community Resilience program. This program supports community-based efforts to mitigate climate change and COVID-19 pandemic impacts, safeguard cultural resources, and foster cultural resilience through identifying, documenting, and/or collecting cultural heritage and community experience. The program prioritizes projects from disadvantaged communities in the United States or its jurisdictions, and NEH encourages applications that employ inclusive methodologies.

A. Program Description

1. Purpose
This notice solicits applications for the Cultural and Community Resilience (CCR) program.

Resilience is the ability to prepare for, recover from, and adapt to the impacts of our changing climate and world. The CCR program supports community-based efforts to mitigate the impacts of climate change and the COVID-19 pandemic by safeguarding cultural resources and fostering cultural resilience through the identification, documentation, and/or collection of cultural heritage and community experience.

Communities are a complex and dynamic group with shared locality, experiences, practices, and traditions. Humanists and preservationists in libraries, archives, museums, and institutions of higher education play an important role in strengthening communities facing change. As culture-keepers, they sustain memory and identity; as knowledge-brokers, they transfer abilities and perspectives that deepen our understanding of our place in the natural world and inform contemporary ways of working and living.

The CCR program contributes to the continuity of cultural heritage and its availability for future generations by supporting community-based projects that empower people to define, collect, and use cultural and historical resources. In addition, the CCR program recognizes the importance of documenting contemporary experiences with climate change and the COVID-19 pandemic and of deepening our understanding of their social, economic, and emotional impact on individuals and communities.

NEH welcomes applications at all stages of project development from planning through implementation, especially those that employ inclusive methodologies, such as participatory archiving, oral history, rapid response collecting, shared stewardship arrangements, and community-centered access. NEH also encourages you to leverage open access online resources and use Creative Commons licenses, when possible and as appropriate.

The CCR program supports activities such as:

- identifying and capturing cultural and historical resources, including through digital means, in communities potentially endangered by climate events, such as wildfires, drought, hurricanes, or rising sea levels;
- safeguarding cultural resources to mitigate the impacts of the COVID-19 pandemic;
- collecting oral histories from individuals impacted by extreme weather events or the COVID-19 pandemic, including survivors and first responders;
- documenting traditional knowledge, memories of elders, practices, or technologies;
- engaging in collaborative planning efforts to prepare communities for rapid response collecting; and
- applying insights from cultural heritage identification and documentation projects to inform local and regional community resilience strategies.

Recognizing that the ability to prepare for and recover from the impacts of climate change and the COVID-19 pandemic is specific to a community’s historical, social, economic, and environmental context, the CCR program prioritizes projects from disadvantaged communities in the United States or its jurisdictions. The Justice40 Initiative, which supports a whole-of-
government approach to advancing environmental justice, has developed a Climate and Economic Justice Screening Tool that identifies disadvantaged communities based on several criteria. NEH encourages you to use this tool and/or to incorporate other publicly available information to describe if and how your community is disadvantaged. The tool is in an early, in-progress beta version with limited datasets. It will be regularly updated by the White House Council on Environmental Quality with support from the U.S. Digital Service, including consultation with Tribal Nations and identifying disadvantaged communities in Guam and the U.S. Virgin Islands.

In its efforts to broaden access to the humanities and humanities resources, NEH welcomes applications from small and medium-sized organizations with strong ties to the communities they seek to document, including those that may not have previously received NEH support, as well as Native American organizations and communities.

NEH especially welcomes applications from federally recognized Native American tribal governments, Native Hawaiian organizations, Historically Black Colleges and Universities (HBCUs), Tribal Colleges and Universities (TCUs), and Hispanic Serving Institutions of higher education (HSIs), as well as from two-year community colleges, in accordance with Executive Order 13647 on Native American affairs, Executive Order 14041 on HBCUs, Executive Order 14049 on TCUs, and Executive Order 13555 on Educational Excellence for Hispanics.

The performance of grant projects will be evaluated against the deliverables proposed in the application. Products of planning grants could include Memoranda of Understanding among partners, technical requirements and strategic planning documents for collecting initiatives, shared stewardship agreements, and collection data sustainability plans. Implementation products might include oral history collections, online collections of digital surrogates or born digital materials, physical archival collections, and other forms of documentation.

See D6. Funding Restrictions for unallowable activities.

See E1. Review Criteria for the criteria NEH will use to evaluate applications under this notice.

2. Background

NEH offers this funding opportunity under the authority of 20 U.S.C. § 956. Awards are subject to 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the General Terms and Conditions for Awards to Organizations (for grants and cooperative agreements issued January 1, 2022 or later).

Under Section 3(a) of the National Foundation on the Arts and the Humanities Act of 1965, as amended, “The term ‘humanities’ includes, but is not limited to, the study of the following: language, both modern and classical; linguistics; literature; history; jurisprudence; philosophy; archaeology; comparative religion; ethics; the history, criticism and theory of the arts; those aspects of the social sciences which have humanistic content and employ humanistic methods; and the study and application of the humanities to the human environment with particular attention to reflecting our diverse heritage, traditions, and history and to the relevance of the humanities to the current conditions of national life.”

Use the Funded Projects Query Form to find examples of NEH-supported projects.

B. Federal Award Information

1. Type of Application and Award
NEH seeks new applications in response to this notice.

NEH will provide funding in the form of grants.

2. Summary of Funding

Award amounts
You may request up to $150,000.

NEH will award successful applicants outright funds, which are not contingent on additional funding from other sources.

NEH anticipates awarding approximately $1,500,000 among an estimated ten to fifteen recipients per deadline.

NEH will not determine the funding available each fiscal year until Congress enacts the final budget. This notice is subject to the availability of appropriated funds and is a contingency action taken to ensure that, should funds become available for this purpose, NEH can process applications and issue awards in a timely manner.

Period of performance
January 2023 deadline: You may request a period of performance up to two years with a start date between October 1, 2023, and September 1, 2024.

May 2023 deadline: You may request a period of performance up to two years with a start date between February 1, 2024, and September 1, 2024.

The period of performance is the span of time during which you may incur expenses to carry out the work under the award. It must start on the first day of the month and end on the last day of a month.

C. Eligibility Information

1. Eligible Applicants
To be eligible to apply, you must be established in the United States or its jurisdictions as one of the following organization types:

- a nonprofit organization recognized as tax-exempt under section 501(c)(3) of the Internal Revenue Code
- an accredited institution of higher education (public or nonprofit)
- a state or local government or one of their agencies
- a federally recognized Native American Tribal government
If you are an eligible applicant, you may apply on behalf of a consortium of collaborating organizations. If NEH selects your proposal for funding, you will be programatically, legally, and fiscally responsible for the award.

To be eligible, you must not function solely as a fiscal agent for another entity and must make substantive contributions to the success of the project.

Individuals and other organizations, including foreign and for-profit entities, are ineligible.

2. Cost Sharing
NEH does not require cost sharing in this program.

Cost sharing or matching is the portion of the project costs you pay for with non-NEH funds. Peer reviewers will not consider cost sharing in their evaluation of applications.

You may contribute voluntary cost share to your project if the total costs exceed the amount awarded by NEH. Voluntary cost share includes:

- cash contributions made to the project by you or a third party
- your unrecovered indirect costs
- in-kind contributions (non-cash contributions, such as property or services, that benefit the project and are contributed without charge) by you or a third party

While you may describe voluntary cost share in your budget justification, you should not include it on your Research and Related Budget.

You must maintain auditable records of the source and use of cost share. See 2 CFR § 200.306.

Learn about types of funds NEH offers.

3. Other Eligibility Information
You may submit multiple applications for separate and distinct projects under this notice. An individual, however, may not serve as project director for multiple proposed projects under this notice.

You may revise and resubmit previously rejected applications. Submissions are subject to the application requirements and review criteria of this competition.

If NEH has previously made an award in support of your project, you may submit an application for a new or subsequent stage of the project, which NEH will assess using the same criteria as other applications in this competition.

Per 2 CFR § 200.403(f), you must not include the same project costs in more than one application for federal funding and/or approved federal award budget. However, you may submit multiple proposals for complementary aspects of the same overall project. NEH may disallow costs or reject applications with overlapping project costs. An individual’s level of effort cannot exceed 100% across multiple active federally funded awards.

NEH does not make awards to other federal entities. If your project is so closely intertwined with a federal entity that the project takes on characteristics of the federal entity’s own
authorized activities, it is ineligible. You may use funds from, or sites and materials controlled by, other federal entities in your project.

NEH does not provide financial assistance to foreign institutions or organizations. If you are an eligible domestic entity, you may apply for collaborative projects involving foreign organizations provided you do not use NEH funds for the purpose of issuing subawards to any foreign organization, as defined in 2 CFR §§ 200.1 and 331(a). You may obtain the services of foreign individuals and consultants to carry out programmatic activities on a fee-for-service basis, as specified in 2 CFR § 200.459. You may obtain goods and services from foreign vendors, such as in-country transportation services, in accordance with 2 CFR § 200.331(b). If you plan to submit an application involving international collaboration, contact program staff at preservation@neh.gov.

Except for the rare cases covered by its late submission policy, NEH will not consider applications submitted after the deadline.

NEH will not consider incomplete, nonresponsive, or ineligible applications for funding.

NEH will not consider applications that exceed page limits or deviate from formatting instructions. See the Application Components Table.

D. Application and Submission Information

1. Application Package

You must apply using Grants.gov Workspace or a Grants.gov system-to-system solution. You can find this funding opportunity in Grants.gov under number 20230112-PN. There is also a link on the program resource page.

Once you have located the funding opportunity in Grants.gov, you will find the application package under the “Package” tab. It includes a series of required and conditionally required forms. You will upload additional application components using the Attachments Form.

You must complete a multistep registration process to submit your application. See D3. Unique Entity Identifier and System for Award Management.

Contact preservation@neh.gov to request a paper copy of this notice.

If you are deaf or hard of hearing, you can contact NEH using telecommunications relay at 7-1-1.

2. Content and Form of Application Submission

Your application will include a narrative, work plan, budget, and other forms and attachments. You will complete the forms within Grants.gov Workspace and upload other components into the Attachments Form. See the Application Component Table.

NEH has assigned each application component one of the following designations:

- Required: You must submit this component.
• Conditionally Required: You must submit this component if your proposal meets the specified conditions.
• Recommended: NEH encourages, but does not require, you to submit this component.

You must submit all required components and conditionally required components relevant to your proposal. **NEH will not review applications missing any required documents or relevant conditionally required documents.**

In addition, NEH has established page limits for some application components:

• Mandatory: You must not exceed the page limit.
• Suggested: NEH encourages, but does not require, you to abide by the page limit.

Take note of the page limits and formatting instructions in this notice. **NEH will not review applications that exceed mandatory page limits or deviate from formatting instructions.**

Your application components must conform to the following formatting requirements, unless otherwise indicated:

• pages no larger than standard letter (8 ½” x 11”)
• at least one-inch margins on all sides for all pages
• a font no smaller than 11 points

In addition, you are encouraged to format your components consistent with the following:

• single-spacing
• a readable font such as Arial, Georgia, Helvetica, or Times New Roman
• any standard citation style (citations are included in page counts)

### Narrative

Compose a comprehensive description of your proposed project. Your narrative should be succinct, well organized, and free of technical terms and jargon so that peer reviewers can understand the proposed project.

You must limit the narrative to ten single-spaced pages. Do not include an executive summary, cover page, or a table of contents. You may include images, charts, diagrams, footnotes, and endnotes if they fit within the page limit.

Organize your narrative using the following section headings. Each section aligns with one or more review criteria NEH will use to evaluate your proposal.
Project goals and humanities content (aligns with review criterion 1)
Describe the goals of your project. Address how it would mitigate the loss of tangible or intangible cultural heritage resources due to climate change or the COVID-19 pandemic, sustain community in the aftermath of extreme weather events, or otherwise advance cultural and community resilience. For example, in what ways has your community felt the impacts of climate change or the COVID-19 pandemic? What are the likely climate- or COVID-19 pandemic-related risks to its cultural heritage resources?

Describe your documentation strategy for identifying, capturing, or describing the community’s cultural or historical resources. What humanities topics or questions inform it, and how would the project complement existing resources on the same or related topics? Provide examples of the types of cultural heritage or community experiences you would document and their significance. Discuss the project’s significance to various audiences—the community, humanities researchers, educators, and the public. How would the project contribute to the depth and diversity of the nation’s cultural and historical record?

Program priority (aligns with review criterion 2)
Briefly describe if and how your community is disadvantaged. If the Justice40 Initiative identifies your community as disadvantaged under its framework, discuss the relevant circumstances, referring to the Climate and Economic Justice Screening Tool. Note that this tool is a beta site with limited data sets that will be updated regularly. If the tool’s deficiencies do not provide an accurate depiction of your community, you may incorporate other means to describe how your community is disadvantaged. If your project relates to the impacts of the COVID-19 pandemic on your community refer to publicly available data provided by the Centers for Disease Control and Prevention or your local jurisdiction.

Community participation (aligns with review criteria 1, 3, 4, and 6)
Describe how the project design will empower people and communities to define, collect, and use their cultural and historical resources. Explain how community members would participate and how you would support transparency and shared decision-making. As relevant, discuss how you would support meaningful community engagement and partnerships, how you would address any potential harms to individuals or communities, and how you would promote continued access to and shared authority in cultural heritage. Specifically, discuss the community’s role in the ongoing management of its cultural heritage (for example, cite relevant shared-stewardship models, culturally appropriate practices, or take-down policies, etc.). Where partnerships exist already, describe how and when they developed. Explain how the project could enrich the broader mission and longer-term vision, goals, and capacity of each partner.

In the case of proposed projects specific to Native American groups and cultural materials, indicate how you would adhere to the NEH Code of Ethics Related to Native Americans.

Methodology (aligns with review criteria 3 and 4)
Explain how you would implement the project and how your methods relate to professional practices in the humanities, preservation, and cultural heritage documentation. Discuss how your approach reflects the needs and resources of your organization or community while working to build the long-term availability and discoverability of cultural and historical resources. As relevant, outline the actual or projected scope of the physical or digital assets you will collect, organize, or use.
For oral history projects, identify narrators, to the extent possible, and provide examples of questions you will ask. Discuss plans for preparatory research, recording equipment, interview setting, securing permissions, and post-interview preservation and access methods, such as audio streaming transcription, or time-based indexing. For guidance, refer to the statement of Principles and Best Practices published by the Oral History Association.

Describe the project’s technological framework, including the software, equipment, and storage systems you will employ, as relevant to your project. For example, what preservation standards and practices would you follow for the safe handling of cultural and historical resources; for photographing, recording, or digitizing those resources; and for describing them? Identify the community’s choice of a repository or repositories to hold digital copies of items with their permission.

**Deliverables (aligns with review criteria 3, 4, and 5)**

Identify the project deliverables and how you would share them among key stakeholders and audiences who would benefit from access.

Consistent with NEH’s policy on providing access to NEH-funded products, explain how you would provide access to all products through the internet, on-site use, interlibrary loan, or duplication of materials at cost, insofar as the condition of the materials, intellectual property rights, and privacy considerations allow.

Describe how you would address intellectual property and privacy issues and provide documentation of existing or sample permissions, donor agreements, licenses, or proofs of informed consent you will use, as relevant, in Attachment 7: Additional supporting documentation.

For planning and pilot projects, discuss your likely next steps; for implementation projects, describe how you would sustain the resulting resources.

**Work plan (aligns with review criterion 5)**

Summarize the activities that you would undertake during the period of performance. For each activity, identify those responsible and establish benchmarks for achieving project goals. As appropriate, identify meaningful support and collaboration with key stakeholders in planning, designing, and implementing all activities. Provide a detailed version of your work plan in Attachment 2: Work plan.

**Project personnel and advisors (aligns with review criteria 3 and 6)**

Identify all project personnel, including consultants, advisors, and/or personnel you will hire, and summarize their duties and relevant qualifications. Your project team should represent a mix of humanities, preservation, and community expertise. Specify individual roles and responsibilities as they relate to the project activities, the tasks that they will perform, and the aspects of the project they will oversee. Indicate the time that project personnel will devote to the project and how your project would share, acknowledge, and/or compensate for labor equitably.

Provide two-page résumés for key personnel and all consultants, as well as job descriptions for project personnel you would hire in Attachment 4: Résumés for key personnel.
**Narrative Alignment**

Each section of the narrative aligns with corresponding review criteria. Use the crosswalk to ensure you address all criteria.

**Research and Related Budget**

You must submit a project budget using the Research and Related Budget form included in the Grants.gov application package and attach a budget justification.

Complete a single detailed budget for the entire period of performance. The form will generate a cumulative budget.

The form indicates required fields in yellow. Round all costs to the nearest whole dollar. The inclusion of a cost category on the Research and Related Budget does not necessarily mean that an expense is allowable. See D6. Funding Restrictions to ensure that proposed costs are allowable.

If you will provide voluntary cost share, do not include it on the Research and Related Budget form. You may describe it in your budget justification.

All costs must be reasonable, necessary to accomplish project objectives, allowable in terms of 2 CFR 200 Subpart E - Cost Principles, auditable, and incurred during the period of performance. All costs are subject to audit, record retention, and other requirements set forth in 2 CFR 200 Subpart F - Audit Requirements.

You should only include your own employees under A. Senior/Key Person and B. Other Personnel. Include team members in leadership roles in the project under A. Senior/Key Person. Include other team members under B. Other Personnel. Include costs for non-employees under F3. Consultant Services or F5. Subawards/Consortium/Contractual Costs, as appropriate.

If you charge indirect costs to the project, you must not charge those same costs to the project as direct costs. See H. Indirect Costs.

**Introductory Fields**

If not pre-populated, indicate your organization's Unique Entity Identifier, name, and the period of performance. This should be the same as the information you provide on your SF-424 Application for Federal Assistance - Short Organizational. You may need to complete the SF-424 prior to completing your Research and Related Budget. Your period of performance must start
on the first day of the month and end on the last day of the month. For budget type, check “project.”

A. Senior/Key Person
Include personnel who are employed by the applicant institution in leadership roles on the project. Do not include collaborators at other institutions or consultants, as you will include them in F. Other Direct Costs.

Enter the base salary (annual compensation) for each senior/key person and identify the number of months they will devote to the project. If you do not include base salaries, your award may be delayed.

Many non-academic institutions organize their budgets using calendar months. If your organization does not differentiate between academic and summer months, use only the calendar months column.

If your organization follows an academic calendar, you may differentiate levels of effort by using the academic and summer months columns. You may also use both columns if your institutional policy requires accounting for academic and summer months separately. If your institution does not use a nine-month academic year and a three-month summer period, include your institution's definition of these terms in your budget justification.

Enter the requested salary and fringe benefits for each senior/key person. Per 2 CFR § 200.431, fringe benefits are allowances and services you provide in addition to salaries and wages. Fringe benefits include, but are not limited to, the costs of leave (vacation, family-related, sick, or military), employee insurance, pensions, and unemployment benefit plans.

Requested salaries and wages must comply with 2 CFR §§ 200.430 and .466 and fringe benefits must comply with 2 CFR § 200.431.

The form will calculate the requested salary and fringe benefits for each key person.

The form has space for up to eight people. If you request funds for additional key personnel, list them in a separate document using the same format as the Research and Related Budget. Save the document as a PDF named additionalpersonnel.pdf and attach it under “Additional/Senior Key Persons.” If applicable, enter the total funds you are requesting for additional senior/key persons in the "Total Funds requested for all Senior/Key Persons in the attached file" field.

B. Other Personnel
Include personnel employed by the applicant institution who will play a supporting role on the project. For each project role, identify the number of personnel proposed, the total number of months, total salary, and total fringe benefits requested as described in A. Senior/Key Person. The form will calculate the requested salary and fringe benefits for each group.

Post-doctoral associates, graduate students, and undergraduate students
If applicable, include charges for tuition remission and other forms of compensation paid to students as, or in lieu of, salaries and wages. You must report such costs in accordance with 2 CFR § 200.466(b), and must treat them as direct or indirect costs in accordance with the actual work performed. You may charge tuition remission on an average rate basis.

Secretarial/Clerical
In most circumstances, you should include the salaries of administrative, secretarial, or clerical staff as indirect costs (see H. Indirect Costs). Per 2 CFR § 200.413(c), you may charge salaries for administrative or clerical staff as direct costs only if the following conditions are met:

- The administrative or clerical services are integral to a project or activity.
- The individuals involved can be specifically identified with the project or activity.
- You explicitly include these costs in your budget or have prior written approval from NEH.
- You do not also recover the costs as indirect costs.

If you include administrative or clerical salaries in your budget as direct costs, document how direct charging meets all four conditions in your budget justification. NEH may request additional information to assess if proposed costs are allowable.

**Additional Other Personnel**

List additional project roles, if applicable. The form has space for six named roles. If you have more, combine project roles on the form and explain in your budget justification.

Requested salaries and wages must comply with 2 CFR §§ 200.430 and .466 and fringe benefits must comply with 2 CFR § 200.431.

Do not list collaborators at other institutions or consultants here, as you will include them in F. Other Direct Costs.

**C. Equipment Description**

Equipment is defined as nonexpendable personal property costing $5,000 or more per item and having a service life of more than one year (unless your organization has established a lower level). See 2 CFR §§ 200.313 and .439.

You may purchase equipment if analysis demonstrates that it is more economical and practical than leasing (equipment rental/user fees should be included in F. Other Direct Costs). You may charge depreciation in compliance with 2 CFR § 200.436.

Per 2 CFR § 200.322, you should preference goods, products, and materials produced in the United States purchased or acquired under a federal award. If your application is selected for funding, you must include the requirements of this section in all subawards, contracts, and purchase orders for work or products.

List each item of equipment you plan to purchase and its estimated cost, including shipping and maintenance. Include supporting information, such as a price quote, in your budget justification.

The form has space for ten items. If you request funds for additional equipment, list them in a separate document. Save the document as a PDF named additionalequipment.pdf and attach it under “Additional Equipment.” Enter the total funds you are requesting for the additional equipment in the “Total funds requested for all equipment listed in the attached file” field.

The form will calculate total equipment costs.
D. Travel

Enter the total funds you are requesting for both domestic travel (local and long-distance) and foreign travel (including travel to Canada and Mexico). Provide a detailed breakdown of costs for each trip in your budget justification. **If you make nonrefundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

Travel costs must comply with 2 CFR § 200.475 and the General Terms and Conditions for Awards to Organizations. NEH uses the General Services Administration’s published per diem rates to assess if proposed travel costs are reasonable.

Include funds for two members of the project team to attend a two-day meeting in Washington, D.C., in May 2025. NEH has hosted recent meetings virtually due to travel restrictions but hopes to resume in-person meetings in the future. If the meeting is virtual, NEH may allow you to re-allocate travel funds to other project activities. Attendance is mandatory, whether the meeting is in person or virtual.

You may not use NEH funds to attend regularly occurring professional meetings unless the purpose of attending is to disseminate project-related findings.

Include travel costs for participants in F3 and travel costs for consultants in F3.

The form will calculate total travel costs.

E. Participant/Trainee Support Costs

Participants are the beneficiaries, not the providers, of a service or training opportunity (such as a workshop, conference, seminar, or symposium) funded by a federal award.

2 CFR § 200.1 defines participant support costs as direct costs for expenses such as stipends, travel allowances, subsistence allowances, and registration fees paid to or on behalf of participants (but not employees) in connection with conferences or training projects.

2 CFR § 200.432 defines a conference as a meeting, retreat, seminar, symposium, workshop, or event, the primary purpose of which is the dissemination of technical information beyond the non-federal entity, and which is necessary and reasonable for successful performance under the federal award.

Include supporting information in your budget justification. **If you or your participants make nonrefundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

The form will calculate total participant support costs.

1. Tuition/Fees/Health Insurance

Leave this field blank.

2. Stipends

Enter the total funds you are requesting for participant stipends.
3. Travel
Enter the total funds you are requesting for participant travel. In your budget justification, name the travelers (if known) and itemize their travel expenses (e.g., roundtrip airfare, mileage, public transportation fares, parking fees, etc.).

4. Subsistence
Enter the total funds you are requesting for participant subsistence. Subsistence expenses include lodging and service charges; meals, including taxes and tips; and incidental expenses (e.g., fees and tips).

5. Other
Describe other participant support costs (e.g., local ground transportation to venues, admission fees, bottled water, etc.) and enter the total funds you are requesting. You may provide additional information in your budget justification.

Number of Participants/Trainees
Enter the total number of participants. This field cannot exceed 999.

F. Other Direct Costs
The form will calculate total other direct costs.

1. Materials and Supplies
Enter the total funds you are requesting for materials and supplies that cost less than $5,000 per item, regardless of its useful life, unless your organization has established a different capitalization level. See 2 CFR §§ 200.314 and .453.

2. Publication Costs
Enter the total funds you are requesting for publication costs, including the costs of documenting, preparing, publishing, or otherwise making available to others the findings and products of the work conducted under the award. Include supporting information in your budget justification.

3. Consultant Services
Enter the total funds you are requesting for consultant services. If your project includes an external advisory committee, include associated costs here.

Consultant fees must comply with 2 CFR § 200.459.

4. Automated Data Processing (ADP)/Computer Services
Enter the total funds you are requesting for ADP/computer services, including computer-based retrieval of scientific, technical, and education information. Include personal computers and accessories under Materials and Supplies.

If a third party will provide these services, include them in Subawards/Consortium/Contractual Costs.

5. Subawards/Consortium/Contractual Costs
Enter the total funds you are requesting (both direct and indirect costs) for activities third parties will perform.
Per 2 CFR §§ 200.1 and .331(a), a subaward is an award you issue to a subrecipient to carry out part of your federal award. Subawards do not include payments to contractors (as defined in 2 CFR §§ 200.1 and .331(b)) or payments to individuals who are beneficiaries of federal programs.

You may provide a subaward through any form of legal agreement, including an agreement you consider a contract. The substance of your relationship with a third party is more important than the form of the agreement when determining if the third party functions as a subrecipient or contractor. See 2 CFR § 200.331(c).

NEH may request additional information to assess if proposed costs are reasonable and allowable. See 2 CFR §§ 200.331 and .332.

If your budget includes subawards, you must submit a separate Research and Related budget and budget justification for each. See Attachment 8: Subrecipient budget(s).

If a subrecipient claims indirect costs, include its federally negotiated indirect cost rate agreement in Attachment 9: Federally negotiated indirect cost rate agreement. You do not have to include an agreement for any subrecipient that requests the 10% de minimis rate.

6. Equipment or Facility Rental/User Fees
Enter the total funds you are requesting for rental fees for equipment and facilities (sometimes referred to as user fees).

If you will use your own equipment and facilities, you may charge depreciation in compliance with 2 CFR § 200.436. Alternatively, if you will use equipment you purchased with federal funds under another award, you may charge user fees consistent with 2 CFR § 200.313(c)(2). You may not charge both depreciation and user fees.

If you will host a conference, you may rent facilities per 2 CFR § 200.432. If you are renting facilities under a “less-than-arm’s-length” lease, you must comply with 2 CFR § 200.465(c).

Federally funded meetings and conferences must take place in properties that comply with the Hotel and Motel Fire Safety Act of 1990 (Pub. L. 101-391). Consult the U.S. Fire Administration’s National Master List for fire code compliant hotels.

7. Alterations and Renovations
Leave this line blank. Per 2 CFR § 200.462, costs you incur for ordinary and normal rearrangement and alteration of facilities are allowable as indirect costs.

8-10. Other
List items you have not included in other previous categories or in the indirect cost pool. “Other” project-specific costs may include fees for promotion, acquisition, rights, evaluation and assessment, and accessibility accommodations (e.g., audio description, sign-language interpretation, closed or open captioning, large-print brochures/labeling). “Miscellaneous” and “contingency” are not acceptable budget categories.
Per 2 CFR § 200.432, allowable conference costs include speakers’ fees, costs of meals and refreshments, and other incidental items. You must exercise discretion and judgment to ensure that costs are appropriate, necessary, and managed in a manner that minimizes costs to the award.

Food and/or meals are only allowable when vendors are unavailable during the scheduled program. You may not use federal funds for meals/food/refreshments at receptions or “networking” events. If participants will receive complimentary meals or refreshments during meetings, conferences, training, or other events while on NEH-supported travel, you must reduce the per diem you charge to the award accordingly. Per 2 CFR § 200.423, you may not use federal funds for alcoholic beverages.

**G. Total Direct Costs**
The form will calculate total direct costs.

**H. Indirect Costs**
Indirect costs are costs that your institution incurs for common or joint objectives and that you cannot readily identify with a specific project or activity. Indirect costs include such expenses as the depreciation on buildings, equipment, and capital improvements; operations and maintenance expenses; accounting and legal services; and salaries of executive officers.

You do not have to claim indirect costs, but if you do, calculate the amount you may request by multiplying the applicable indirect cost rate by the distribution base, which is typically the project’s modified total direct costs (MTDC).

Per 2 CFR § 200.1, MTDC are all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first $25,000 of each subaward (regardless of the period of performance of the subaward). MTDC **exclude equipment, capital expenditures, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward in excess of $25,000**.

Review your institution’s negotiated indirect cost rate(s) to ensure you are using the most appropriate rate for your project. Many institutions of higher education negotiate multiple rates, such as “research,” “instruction,” and “other sponsored activities.” An institution’s “research” rate is not the appropriate rate for inclusion in NEH project budgets, except in rare cases, since it is reserved for projects involving scientific research, not scholarly inquiry of the type most often supported by NEH.

Except as provided in 2 CFR § 200.414(c)(1), NEH must use the negotiated rate(s) that are in effect at the time it issues your award and will not adjust the rate(s) throughout the life of your award. NEH will not adjust your award amount as a result of changes to your negotiated rates.

If an educational institution does not have a negotiated rate with the federal government when NEH issues an award (because the educational institution is a new recipient or the parties cannot reach agreement on a rate), but has a provisional rate, NEH must use the provisional rate until a final cost is negotiated and approved by the cognizant agency, except as provided in 2 CFR § 200.414. If the recipient fails to negotiate an indirect cost rate applicable to the period of performance within the period of performance, NEH may disallow indirect costs.

If your organization does not have a federally negotiated indirect cost rate, you may:
• submit an indirect cost proposal to your cognizant federal agency to negotiate a rate within three months of your award’s period of performance start date; or
• charge a de minimis rate of 10% applicable to MTDC (see 2 CFR § 200.414(f))

If you choose one of these options, indicate this under Indirect Cost Type. If you do not choose either of the above options, you may only charge costs that are allocable, allowable, and reasonable to the award.

Include a copy of your federally negotiated indirect cost rate agreement, along with subrecipient agreements, as Attachment 9: Federally negotiated indirect cost rate agreement, if applicable.

**Indirect Cost Type**
Enter the type of indirect cost rate (e.g., “other sponsored activities,” “all programs,” “instruction,” “10% de minimis,” etc.) and base (e.g., “MTDC,” “salaries,” “salaries & fringe,” etc.) and whether the activity and rate are on- or off-site. If your budget includes more than one indirect cost rate or base, list them as separate entries (for example, if your project includes activities that occur both on and off campus). If you do not have a current indirect rate agreement with your cognizant agency, but intend to negotiate one, write "None-will negotiate." If needed, provide additional detail in your budget justification.

**Indirect Cost Rate (%)**
Enter the most recent indirect cost rate(s) established with your cognizant federal agency (or the 10% de minimis rate) as a number without special characters (i.e., 32.5).

**Indirect Cost Base ($)**
Enter the base for each indirect cost type. Describe any exclusions in your budget justification. If applicable, refer to your federally negotiated indirect cost rate agreement to determine how to calculate the indirect cost base.

**Funds Requested ($)**
Enter the funds you are requesting for each indirect cost type.

**Total Indirect Costs**
The form will calculate total indirect costs.

**Cognizant Federal Agency**
Enter the name of your cognizant federal agency and a point of contact, if applicable.

I. Total Direct and Indirect Costs
The form will calculate total project costs.

J. Fee
Leave this field blank.

K. Total Costs and Fee
The form will calculate this field, which will be the same amount as I. Total Direct and Indirect Costs.
L. Budget Justification
You must provide a budget justification to support your project. Specifically describe how each item supports your proposed objectives, detail how you calculated costs, and provide supporting documentation. Organize your budget justification using the section headings on the Research and Related Budget.

If you are providing voluntary cost share, you may describe it in the budget justification to contextualize the project as a whole. Do not include voluntary cost share on the Research and Related Budget form.

Save the document as a PDF named justification.pdf. Attach only one file to the Research and Related Budget form. Do not use your budget justification to expand your narrative.

A. Senior/Key Person
Detail the salary and wages you will pay to each Senior/Key Person. Provide their names and briefly describe their roles in and suitability to the project. Identify the fringe benefit rate and explain the base for each person. If your organization follows an academic calendar, explain any differences in compensation between academic and summer months.

B. Other Personnel
List names (if known), roles, months, and requested salary and fringe benefits for other personnel, including post-doctoral associates, graduate students, undergraduate students, and secretarial/clerical personnel.

If your budget includes secretarial/clerical personnel, describe how they meet the four conditions for inclusion as a direct cost.

C. Equipment Description
Detail the number and unit cost for each item, and explain how you determined these figures. Provide vendor quotes or price lists, if applicable.

D. Travel
For each trip, provide the name of the traveler (if known), explain the purpose of the trip, and specify the points of origin and destination. Break out the costs of transportation, lodging, per diem, and any other associated expenses. Explain how you determined these figures. You must justify each trip separately, with the exception of recurring local trips, which you may group together.

For local travel, include the mileage rate, number of miles, reason for travel, and staff members completing the travel. For long-distance travel, calculate per diem amounts for meals and lodging consistent with written institutional policy. You must use the lowest available commercial fares for coach or equivalent accommodations. If you make nonrefundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.

E. Participant/Trainee Support Costs
Describe how you calculated participant stipends, travel, subsistence, and other costs. If possible, detail participant travel costs using the instructions above.
F. Other Direct Costs
1. Materials and Supplies
Indicate general categories (e.g., personal computers, digital cameras, archival supplies).
Provide a total for each category. Itemize categories totaling $1,000 or more and provide vendor quotes or price lists, if applicable.

2. Publication Costs
Indicate print runs and justify costs, including vendor quotes, if applicable.

3. Consultant Services
Identify each consultant, describe the services they will perform, specify the amount of time they will devote to the project during the period of performance, outline travel costs, and provide total costs. If applicable, include consultants’ proposals.

4. Automated Data Processing (ADP)/Computer Services
Itemize the cost for each service and include established service rates, if applicable.

5. Subawards/Consortium/Contractual Costs
List the costs of project activities to be undertaken by third parties. Identify each third party by name, describe its role in the project, the activities it will carry out, and the associated costs. For each entry, designate the third party as either a subrecipient (who receives a subaward) or a contractor (who receives a contract).

For each contractor, itemize costs using the same categories as the Research and Related Budget and provide relevant supporting documents.

You will submit a Research and Related budget and budget justification for each subrecipient, which you will include in Attachment 8: Subrecipient budget(s).

6. Equipment or Facility Rental/User Fees
Identify and justify each rental fee. Provide relevant supporting documentation.

8. Other Costs
Itemize, describe, and justify any other direct costs. Include supporting documentation. “Miscellaneous” and “contingency” are not acceptable budget categories.

H. Indirect Costs
If you include indirect costs in your project budget, identify the rate(s), explain the base(s), and describe any exclusions.

Application Components

SF-424 Application for Federal Assistance – Short Organizational
This form requests basic information about your institution, the proposed project, and key contacts. Items 1, 2, and 4 will be automatically filled in; leave item 3 blank.

5. Applicant Information
a-d. Provide your organization’s legal name, address, and web address. Select the applicant type that best describes your organization from the drop-down menu.
e-f. Provide your organization’s employer/taxpayer identification number (EIN/TIN), and Unique Entity Identifier assigned by the System for Award Management. If you do not know your identifier, contact your grant administrator or chief financial officer. See D3. Unique Entity Identifier and System for Award Management.

g. Provide your congressional district with your two-character state abbreviation followed by your three-character district number. For example, if your institution is located in the 5th congressional district of Alabama, enter “AL-005.” If your institution is in a state or U.S. jurisdiction that does not have districts, enter “000” in place of the district number. If your institution is outside the U.S., enter “00-000.”

6. Project Information
a. Provide your project’s title. It should be brief (no more than 125 characters, including spaces), descriptive of the project, and easily understood by the general public. If NEH funds your project, the agency may retitle your project for clarity in internal and external communications, including the public announcement of awards. Regardless, you may use your preferred title when carrying out the project.

b. Provide a brief description of your project (no more than one thousand characters, including spaces). You should write the description for a nonspecialist audience, clearly stating the importance of the proposed work and its relation to larger issues in the humanities.

c. State your project’s period of performance start and end dates. Your project must start on the first day of a month and end on the last day of a month. See B2. Summary of Funding for allowable periods of performance.

7. Project Director
Provide the project director’s name, title, and contact information. The project director is responsible for the programmatic aspects and day-to-day management of the proposed project. You must notify the NEH Office of Grant Management immediately if you need to change project directors.

If the project director is not employed by the applicant organization, you must have a formal written agreement with the project director that specifies an official relationship between the parties even if the relationship does not involve a salary or other form of remuneration.

8. Primary Contact/Grant Administrator
Provide the name, title, and contact information for the official responsible for the administration of the award (e.g., negotiating the budget and ensuring compliance with the terms and conditions of the award).

As a matter of NEH policy, the project director and primary contact/grant administrator must not be the same person.

The grant administrator (also called the “institutional grant administrator”) functions as the representative of the recipient organization. This individual should have authority to act on the organization’s behalf in matters related to the administration of the award. The institutional grant administrator must sign or countersign financial reports and prior approval requests such as budget revisions, extensions to the period of performance, and changes in key personnel.
NEH will address official correspondence (for example, the offer letter or Notice of Action) to the institutional grant administrator and copy the project director.

9. Authorized Representative
Provide the name, title, and contact information for the authorized organization representative (AOR) who is submitting the application on behalf of the institution. This person, often called an “authorizing official,” is typically the institution’s president, vice president, executive director, board chair, provost, or chancellor. The institution’s Grants.gov E-Business Point of Contact must designate the AOR. See the Grants.gov Online User Guide.

Supplementary Cover Sheet for NEH Grant Programs

1. Project Director
Select the project director’s major field of study from the drop-down menu.

2. Institutional Information
Select your institution type from the drop-down menu.

3. Project Funding
Enter the amount requested under “Outright Funds.” Do not enter anything under “Federal Match” or “Cost Sharing.”

Learn more about the types of funding NEH offers.

4. Application Information
Indicate whether you or others will submit complementary proposals to other NEH programs, government agencies, or private entities. If so, specify when and to whom. NEH will not consider this information when evaluating the merits of your proposal. See C3. Other Eligibility Information for restrictions regarding overlapping costs.

For type of application, check “new.”

Select the project’s primary discipline from the drop-down menu. If applicable, select the project’s secondary and tertiary disciplines.

Project/Performance Site Location(s) Form
Provide the primary location and any other locations where you will conduct project activities during the period of performance.

Enter congressional districts using the two-letter state abbreviation followed by your three-character district number. For example, if your institution is located in the 5th congressional district of Alabama, enter “AL-005.” If your institution is in a state or U.S. jurisdiction that does not have districts, enter “000” in place of the district number. If your institution is outside the U.S., enter “00-000.”

The form has space for 300 sites. If your project includes additional locations, list them in a separate document. Save the document as a PDF named additionallocations.pdf and attach it under “Additional Locations.”
Certification Regarding Lobbying (conditionally required)
If you request more than $100,000, you must submit the Certification Regarding Lobbying. Add this optional form to your application package in Grants.gov and it will autofill based upon information provided on the SF-424 Application for Federal Assistance - Short Organizational.

Standard Form-LLL, “Disclosure of Lobbying Activities” (conditionally required)
If you have or will use non-federal funds for lobbying, you must submit Standard Form-LLL, “Disclosure of Lobbying Activities.” Add this optional form to your application package in Grants.gov. See 2 CFR § 200.450.

Attachments Form
This form accommodates up to fifteen attachments. Attachments must be in Portable Document Format (.pdf). Convert all non-PDF files (e.g., Word, Excel, images) to PDFs. If an attachment contains multiple documents, merge them into a single file. Be aware that, occasionally, converting a document to PDF may alter its length. You must ensure that each attachment is within the page limit, if applicable.

Do not attach portfolios containing multiple PDFs.

NEH cannot accept security-enhanced PDFs (e.g., XFA files, PDFs that include password-protection, encryption, digital signatures). Remove these features (or “flatten” these files) before uploading to Grants.gov.

Consult the Application Components Table to name and sequence your attachments so that NEH can easily identify them. Grants.gov may reject your application if file names are more than 50 characters; if you use the same name for multiple files; or if file names include characters other than the following: A-Z, a-z, 0-9, underscore, hyphen, space, period, parentheses, curly braces, square brackets, ampersand, tilde, exclamation point, comma, colon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign.

Grants.gov may accept and validate your application even if you are missing required components or have formatted them incorrectly. You must ensure that you have formatted, attached, and submitted all required components correctly. If you have not, NEH may reject your application as incomplete or nonresponsive.

Learn about Adobe software compatibility with Grants.gov and ensure that you can use your version of Adobe Acrobat Reader to download, complete, and submit your application.

Attachment 1: Narrative (required)
Refer to the prior instructions on preparing your narrative. Your narrative must not exceed ten pages. Name the file narrative.pdf.

Attachment 2: Work plan (required)
Your work plan should reflect the major activities you summarize in your narrative, the project dates on your SF-424 Application for Federal Assistance - Short Organizational, and your Research and Related Budget.

Describe in detail the activities that will take place during the period of performance to achieve each of the proposed objectives. Use a timeline that includes each activity and identifies
responsible staff. Explain how outcomes from one activity will carry over into the next. For each activity, specify the project team members involved. For multi-institutional collaborative projects, discuss the distribution of responsibilities across each institution. As appropriate, identify meaningful support and collaboration with key stakeholders in planning, designing, and implementing activities. Name the file workplan.pdf.

**Attachment 3: List of project personnel and advisors (recommended)**
Include a list of project personnel and collaborators and their institutional affiliations, organized alphabetically by surname. If applicable, include advisory board members, consultants, and authors of letters of commitment and letters of support. NEH will use this list to ensure that the peer reviewers do not have conflicts of interest with proposed projects.

Name the file personnel.pdf.

**Attachment 4: Résumés for key personnel (required)**
Include résumés for key personnel. Résumés have a suggested length of two pages per person.
Name the file résumés.pdf.

**Attachment 5: Letters of commitment (recommended)**
Provide any documents that describe working relationships between your organization and other individuals, entities, and programs cited in the application. Letters of commitment must be signed and dated.

Elected government officials, NEH staff, and current members of the National Council on the Humanities may not serve as letter writers.

Name the file commitment.pdf.

**Attachment 6: Letters of support (recommended)**
Provide letters of support that address the project’s significance and the program’s review criteria by experts in the project’s subject area.

Authors of letters of support will not review your submitted proposal. We recommend no more than three letters of support. Elected government officials, NEH staff, and current members of the National Council on the Humanities may not serve as authors of letters of support.

Name the file support.pdf.

**Attachment 7: Additional supporting documentation (recommended)**
The following documentation is strongly encouraged, as relevant to the project:

- existing or sample permissions, donor agreements, licenses, or proofs of informed consent;
- contractor quotes and equipment specifications;
- planning documentation;
- screenshots of sample entries, images, wireframes, or other materials from a current or proposed digital repository; or
- sample passages from collected oral histories.

Name the file documentation.pdf.
**Attachment 8: Subrecipient budget(s) (conditionally required)**

If your project includes subawards, you must provide a separate Research and Related Budget and budget justification for each subrecipient.

Download a fillable PDF of the Research and Related Budget form from the NEH website for each subrecipient. You must open and complete this form in Adobe Reader 8.0 or higher rather than in your web browser.

Prepare a budget and budget justification for each subrecipient using the same instructions in this notice, with a few exceptions:

- Enter the subrecipient’s Unique Entity Identifier, organization name, and period of performance start and end date (these fields will not prepopulate).
- For “budget type,” check “Subaward/Consortium.”

If your subrecipients have a federally negotiated indirect cost rate, you must honor it. If they do not have a federally negotiated indirect cost rate, they may negotiate a rate with you consistent with 2 CFR § 200.414.

Rather than attaching related documents (budget justification, additional personnel, additional equipment) to the form itself, you will separately convert each document into a PDF and combine all subrecipients’ budget forms and related documents into a single document. Do not attach portfolios containing multiple PDFs. Name the file subrecipient.pdf.

NEH cannot accept security-enhanced PDFs (e.g., XFA files, PDFs that include password-protection, encryption, digital signatures). Remove these features (or “flatten” these files) before merging them into a single PDF and uploading it to the Attachments Form.

Name the file subrecipient.pdf.

**Attachment 9: Federally negotiated indirect cost rate agreement (conditionally required)**

If your organization is claiming indirect costs and has a current federally negotiated indirect cost rate agreement, provide a copy of the agreement. If applicable, provide the indirect cost rate agreements for subrecipients claiming indirect costs. If you and your subrecipients are requesting the de minimis rate, you do not need to submit this attachment.

Name the file agreement.pdf.

**Attachment 10: Explanation of delinquent federal debt (conditionally required)**

If your organization is delinquent in the repayment of any federal debt, explain why. Provide evidence that you have entered into a repayment agreement with the Internal Revenue Service, if applicable, and that you are current on all payments due. Examples of relevant debt include delinquent payroll or other taxes, audit disallowances, and benefit overpayments. See OMB Circular A-129.

Name the file delinquentdebt.pdf.
3. Unique Entity Identifier and System for Award Management

Before submitting its application, your organization must register with the System for Award Management (SAM) and Grants.gov. Learn more about this multistep process.

NEH encourages organizations with SAM registrations to check the validation of their UEI well in advance of the deadline to ensure that they are accurate, current, and active. Due to the recent transition from D-U-N-S® numbers to Unique Entity Identifiers in April 2022, the Federal Service Desk is currently experiencing long delays with UEIs requiring validation. If your SAM registration is not active and current at the time of Grants.gov submission, NEH will reject your application.

You should allow several weeks to register with SAM and Grants.gov. NEH will not waive the online submission requirement or extend the application deadline to allow additional time for you to complete registration with SAM or Grants.gov.

Login.gov

If you have not already done so, you must create a Login.gov user account to register and log in to SAM and Grants.gov. Login.gov is a secure sign in service used by the public to sign in to participating government agencies. Create and link your account now.

System for Award Management (SAM)

Your organization must register with the System for Award Management (SAM) and maintain an active SAM registration with current information at all times during which you have an active federal award or an application under consideration by a federal agency. See 2 CFR § 25.110 for exceptions. SAM will assign your organization a Unique Entity Identifier.

When registering or renewing in SAM, the system will prompt you to review and agree to certain financial assistance certifications and representations, as required by 2 CFR § 200.209.

If your SAM registration is not active and current at the time an award is made, NEH may determine that you are not qualified to receive an award and use that determination as a basis for making an award to another applicant.

Check the status of your SAM.gov registration.

Grants.gov

Your organization must register with Grants.gov using your Login.gov credentials before submitting an application. You must submit your application using Grants.gov Workspace or a Grants.gov system-to-system solution. Workspace is a shared, online environment where team members may simultaneously access and edit forms within a grant application.

After you register and create an Organizational Applicant Profile, Grants.gov will email your E-Business Point of Contact to assign the appropriate roles to individuals within your organization. This includes the authorized organization representative (AOR), who will give you permission to complete and submit applications on behalf of your organization.

If you have previously registered with Grants.gov, confirm that your registration is still active and that your authorized organization representative (AOR) is current.
Consult the Grants.gov Online User Guide if you have questions. Grants.gov maintains a library of instructional videos which may be helpful as you prepare your application.

4. Submission Dates and Times

Drafts
Program officers will review one draft per project submitted by December 1, 2022, at 11:59 p.m. Eastern Time (for the January 2023 deadline) and April 11, 2023 (for the May 2023 deadline). Program officers will not review late drafts or review any application materials apart from the narrative.

This optional review is not part of the formal selection process and has no bearing on the final funding decision. However, previous applicants have found it useful to strengthen their applications. If you choose to submit a draft, send it as an attachment to preservation@neh.gov.

Applications
This notice covers two deadlines:

- January 12, 2023, at 11:59 p.m. Eastern Time
- May 16, 2023, at 11:59 p.m. Eastern Time

Applications must be complete, comply with length and formatting requirements, and be validated by Grants.gov under the correct funding opportunity prior to the deadline to be considered under this notice.

It is your responsibility to confirm that Grants.gov and subsequently NEH have received your application. Check your Grants.gov application status.

When NEH receives your application, the agency will assign it a tracking number beginning with PN-. A tracking number does not guarantee that your application is free of technical problems (such as missing attachments or failure to convert attachments to PDFs). If your files are not correctly formatted, eGMS, NEH’s electronic grants management system, will reject your application and notify you by email. eGMS cannot detect other errors such as missing components or excess pages.

NEH recommends you submit your application 48 hours prior to the deadline so that you have time to correct any technical errors eGMS has notified you of or that you have discovered. It is your responsibility to correct any errors prior to the deadline.

NEH will not comment on the status of your application except regarding matters of eligibility, completeness, and responsiveness.

5. Intergovernmental Review
This funding opportunity is not subject to intergovernmental review under Executive Order 12372.

6. Funding Restrictions
You may not use awards made under this notice for the following purposes:
• purchase of cultural artifacts, works of art, or documents
• projects that do not substantively engage with one or more communities
• renovation, restoration, rehabilitation, or construction of properties, including historic sites
• costs for activities performed by federal entities or personnel
• promotion of a particular political, religious, or ideological point of view
• advocacy of a particular program of social or political action
• support of specific public policies or legislation
• lobbying
• projects that fall outside of the humanities; the creation or performance of art; creative writing, autobiographies, memoirs, and creative nonfiction; policy studies; and social science research that does not address humanistic questions and/or utilize humanistic methods

See 2 CFR 200 Subpart E - Cost Principles for other unallowable costs.

E. Application Review Information

1. Review Criteria
Peer reviewers will use the following criteria to review applications under this notice:

1. The project’s potential for mitigating cultural heritage loss, sustaining community, or managing the cultural impacts associated with climate change or the COVID-19 pandemic
   (aligns with narrative section “Project goals and humanities content” and “Community participation”)

   • How has the applicant defined the project goals?
   • To what extent has the community experienced the impacts of climate change or the COVID-19 pandemic, or is likely to in the years ahead?
   • To what degree is the project informed by humanities topics and questions?
   • In what ways is the community’s cultural heritage significant to its members, humanities researchers, and/or the public?
   • How would the project contribute to the depth and diversity of the nation’s cultural and historical record?

2. The project’s potential for benefiting disadvantaged communities
   (aligns with narrative section “Program priority”)

   • Using the Justice40 Initiative framework or other publicly available information, to what degree has the applicant demonstrated the community is disadvantaged and adversely impacted in its ability to respond to climate change and/or the COVID-19 pandemic?

3. The quality of the project’s plans to engage with relevant communities
   (aligns with narrative sections “Community participation,” “Methodology,” “Deliverables,” and “Project personnel and advisors”)

20230112-PN 27
To what extent would community members participate in the proposed activities? Has the applicant presented a strong vision for the project’s importance to the life of relevant communities? To what extent does the applicant acknowledge and/or compensate community partners and participants equitably?

4. The soundness of the proposed methods
(aligns with narrative sections “Community participation,” “Methodology,” and “Deliverables”)

- To what extent does the project employ professional practices and standards in the humanities, preservation, and cultural heritage documentation?
- In what ways do the methods reflect the needs and resources of the community?
- Are the proposed procedures clear and appropriate for achieving the project’s goals?
- How effectively would the resources be maintained for access and future use?

5. The viability of the project as indicated by the proposed deliverables, workplan, and budget
(aligns with narrative sections “Deliverables” and “Work plan” and the Research and Related Budget form)

- To what extent are the outcomes clearly identified and achievable?
- Is the project feasible within the timeline and with the proposed resources?

6. The qualifications of the project’s personnel
(aligns with narrative sections “Community participation,” “Project personnel and advisors,” and the Research and Related Budget form)

- Are the roles and duties of project personnel clear, and are team members appropriately qualified for the proposed work?
- Does the project team represent an appropriate mix of humanities, preservation, and community expertise? How strong is the experience of the project’s staff in each of these areas?

2. Review and Selection Process

NEH staff review all applications for eligibility, completeness, and responsiveness. The agency then conducts a peer review process for all applications that pass this initial screening.

Peer reviewers are experts in their fields with knowledge and expertise relevant to the activities that the program supports. NEH instructs peer reviewers to evaluate applications according to the review criteria in this notice. Peer reviewers must comply with federal ethics rules governing conflicts of interest.

NEH program officers supplement the peer reviewers’ comments to address matters of fact or significant points that the peer reviewers have overlooked. They then make funding recommendations to the National Council on the Humanities. The National Council meets at least twice each year to review applications and advise the NEH Chair. By law, the Chair has the sole authority to make final funding decisions.
Following NEH’s public announcement of funded projects, you may request copies of the peer reviewers’ evaluations of your proposal by contacting preservation@neh.gov.

Learn more about the NEH review process.

3. Assessment of Risk and Other Pre-Award Activities
Following the Chair’s initial selection of applications for support, the NEH Office of Grant Management (OGM) conducts a risk assessment for selected applications. OGM will consider the applicant’s past performance, if applicable; analyze the project budget; assess the applicant’s management systems; confirm the applicant’s continued eligibility; and evaluate compliance with public policy requirements.

OGM may request that you submit additional programmatic or administrative information (such as an updated budget or supporting documentation) or undertake certain activities (such as negotiating an indirect cost rate) in anticipation of an award. Such requests do not guarantee that NEH will make an award.

After completing its risk assessment, NEH will determine whether making an award would be consistent with the agency’s risk management policy, whether it must impose any special terms and conditions, and what funding level is appropriate. NEH may elect not to make awards to applicants with management or financial instability that affects their ability to comply with the terms and conditions of the award (2 CFR § 200.206).

Award decisions are discretionary and are not appealable to any federal official or board.

4. Anticipated Announcement and Award Dates
NEH will notify you of funding decisions by email in August 2023 (January 2023 deadline) and December 2023 (May 2023 deadline). This is not an authorization to begin performance or incur related costs.

F. Federal Award Administration Information

1. Federal Award Notices
If NEH selects your application for an award, the NEH Office of Grant Management will send award documents to the institutional grant administrator and project director through eGMS Reach beginning in August 2023 (January 2023 deadline) and December 2023 (May 2023 deadline).

2. Administrative and National Policy Requirements
Each award is subject to 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the General Terms and Conditions for Awards to Organizations (for grants and cooperative agreements issued January 1, 2022 or later), and any specific terms and conditions that NEH places on the award in the Notice of Action.
Debarment, suspension, ineligibility, and voluntary exclusion certification

By submitting an application, you certify that neither your institution nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

You must comply with 2 CFR §§ 180.335 and 350 with respect to providing information regarding all debarment, suspension, and related offenses information, as applicable.

If you cannot attest to the statements in this certification, explain why not in Attachment 10: Explanation of delinquent federal debt.

Providing access to NEH-funded products

As a taxpayer-supported federal agency, NEH strives to make the products of its awards available to the broadest possible audience. NEH’s goal is for scholars, educators, students, and the American public to have ready and easy access to the wide range of award products. All other considerations being equal, NEH gives preference to projects that provide free access to the public.

You must comply with Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. Consult Design for Accessibility: A Cultural Administrator’s Handbook.

Copyright information

Subject to applicable law, you may copyright work that you develop or acquire under an award. In accordance with 2 CFR § 200.315(b), NEH reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so. NEH has typically exercised this right in consultation with recipients to publish excerpts of grant products in Humanities magazine or on its website.

Acknowledging NEH support

Materials publicizing or products resulting from NEH-funded activities must contain an acknowledgment of NEH support. Consult Acknowledgment and Publicity Requirements for NEH Awards and Publicizing Your Project for guidance.

Subrecipient Monitoring Requirements

Per 2 CFR § 25.300, you may only issue subawards with federal funds to organizations that have obtained and provided their Unique Entity Identifier. Subrecipients are not required to complete registration with the System for Award Management (SAM) to obtain a Unique Entity Identifier. See D3. Unique Entity Identifier and System for Award Management.

You must monitor your subrecipients to ensure that they use their subawards for authorized purposes; comply with federal statutes, legislative requirements, regulations, and the terms and conditions of the subaward; and achieve their performance goals. You must ensure that your subrecipients track, appropriately use, and report program income generated by the subaward. See 2 CFR § 200.332 for information that you must include in subaward agreements.
Program income
If your NEH-supported activities generate income during the period of performance, you must use it for additional approved project-related activities. See 2 CFR § 200.307 for income that you generate after the period of performance.

Eliminate waste, fraud, and abuse
Help NEH eliminate fraud and improve management by reporting allegations or suspicions of waste, fraud, abuse, mismanagement, research misconduct (fabrication, falsification, plagiarism), or unnecessary government expenditures to the NEH Office of the Inspector General.

Termination
NEH reserves the right to terminate awards consistent with 2 CFR § 200.340.

3. Reporting
If you receive an award, you must complete required reports in eGMS Reach, the NEH online grant management system, unless otherwise instructed. NEH will provide further information in the Notice of Action.

3. Final Reports. You must submit a final Federal Financial Report (SF-425) and a final performance report within 120 calendar days after the period of performance ends. The final performance report collects information relevant to progress on program-specific goals; impact of the overall project; the degree to which you achieved the mission, goals, and strategies outlined in the approved application; your objectives and accomplishments; barriers encountered; and your overall experiences during the period of performance.

Learn more about performance reporting requirements and financial reporting requirements.

**Privacy policy**
NEH solicits the information in this Notice of Funding Opportunity under the authority of the National Foundation on the Arts and Humanities Act of 1965, as amended, 20 U.S.C. 951, et seq. Disclosure of the information is voluntary. The principal purpose for which NEH will use the information is to process the application, which may include determining eligibility, evaluating the application, selecting recipients, and administering the award program. Panelists and other third parties may assist in the evaluation of applications, in which case NEH will take appropriate security measures with respect to the information provided to such individuals for review. NEH may also use or disclose the information it collects as required by law and for governmental purposes such as statistical research, analysis of trends, Congressional oversight, and the other routine uses set forth in the systems of records notice (“SORN”) published by NEH in the Federal Register. NEH ordinarily will not publicly disclose the contents of applications that NEH does not select for funding, except as set forth in the SORN. Failure to provide the information solicited in this Notice may result in rejection of the application.

**Application completion time**
The Office of Management and Budget requires federal agencies to supply information on the time needed to complete forms and also to invite comments on the paperwork burden. NEH estimates that on average it takes sixty hours to complete an application. This estimate includes time for reviewing instructions; researching, gathering, and maintaining the information needed; and completing and reviewing the application. Time needed may vary from program to program.

You may send any comments regarding the estimated completion time or any other aspect of this application, including suggestions for reducing the completion time, to the Chief Funding Opportunity Officer at grantmanagement@neh.gov. According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB number. The OMB Control Number for this Notice of Funding Opportunity is 3136-0134, expiration date October 31, 2024.
