A. Program Description

1. Purpose

This notice solicits applications for the Fellowships program.

NEH Fellowships are granted to individual scholars pursuing projects that embody exceptional humanistic research, rigorous analysis, and clear writing. Applications must clearly articulate a project's value to humanities scholars, general audiences, or both.

Fellowships provide recipients time to conduct research or to produce books, monographs, peer reviewed articles, e-books, digital materials, translations with annotations or a critical apparatus, or critical editions resulting from previous research. Projects may be at any stage of development.

NEH invites research applications from scholars in all disciplines, and encourages submissions from independent scholars and junior scholars.

See [D6. Funding Restrictions](#) for unallowable activities.

See [E1. Review Criteria](#) for the criteria used to evaluate applications in this program.

See [H. Other Information](#) for other individual research programs.

Dissertation revisions

You may seek funding for a project based on a completed dissertation. You must state in your narrative that the proposal is to revise a dissertation and explain how the new project moves beyond the original.

Concurrent grants from other organizations

Recipients of NEH Fellowships may simultaneously hold fellowships or grants from institutions other than NEH—including sabbaticals and grants from their own institutions—in support of the same project during their period of performance.

Collaborative projects

The Fellowships program is designed primarily for individual researchers. Awards may not be divided. If you are seeking funding for more than one participant in a collaborative project, each person seeking funding must submit a separate application specifying their individual contribution. Each applicant must independently meet the eligibility requirements. Peer reviewers will be asked to evaluate each application on its own merits. Each application should clearly explain how the work will be divided and the extent to which each collaborator's contribution depends on that of the other(s). Applicants who are seeking funding only for themselves but who are working as part of a collaborative team are also eligible. Collaborating scholars affiliated with or sponsored by an eligible institution may wish to apply to the [Collaborative Research](#) program.

2. Background

This program is authorized by [20 U.S.C. §956, et seq.](#) Awards are subject to [NEH Fellowships and Awards for Faculty Terms and Conditions](#).

According to the [National Foundation on the Arts and the Humanities Act of 1965](#), “The term ‘humanities’ includes, but is not limited to, the study of the following: language, both modern and classical; linguistics; literature; history; jurisprudence; philosophy; archaeology; comparative religion; ethics; the history, criticism and theory of the arts; those aspects of the social sciences which have humanistic content and employ humanistic methods; and the study and application of the humanities to the human environment with particular attention to reflecting our diverse heritage, traditions, and history and to the relevance of the humanities to the current conditions of national life.”

Examples of NEH-funded projects may be found using the [Funded Projects Query Form](#).

[Learn more about NEH](#).

NEH Areas of Interest

A More Perfect Union: Exploring America's Story and Commemorating its 250th Anniversary

The task of building a more perfect Union rooted in the ideal of human equality falls to every generation of Americans, ours no less than our predecessors. The basic goals of life, liberty, and the pursuit of happiness endure over time, even as the challenges change: from founding a nation out of colonies; to dismantling the institution of slavery; to prevailing through times of economic depression and war; to advancing civil rights for all; to strengthening our democratic institutions; to building a more inclusive and sustainable society.

NEH’s [A More Perfect Union](#) initiative encourages projects that explore, reflect on, and tell the stories of our quest for a more just, inclusive, and sustainable society throughout our history. NEH especially welcomes projects that bring the perspective of the humanities to questions of racial justice, gender equality, the evolution of the American landscape, as well as America’s place in the world. Projects that strengthen Americans’ knowledge of our principles of constitutional governance and democracy are strongly encouraged, as are projects that address the experiences of Native Americans and other under-represented communities. In addition, NEH welcomes projects that develop innovative approaches to sustaining the nation’s humanities infrastructure and preserving its historical record.

B. Federal Award Information

1. Type of Application and Award

NEH seeks new applications in response to this notice (as opposed to supplements or renewals). Previously rejected applications may be revised and resubmitted.

NEH will provide funding in the form of grants.

2. Summary of Funding

The period of performance is six to twelve months at a stipend of \$5,000 per month. The maximum award is \$60,000 for a twelve-month period of performance. The period of performance must be continuous and full-time.

Successful applicants will be awarded outright funds.

2022 applicants must begin their period of performance between January 1, 2023, and September 1, 2024.

2023 applicants must begin their period of performance between January 1, 2024, and September 1, 2025.

NEH expects to have approximately \$4,800,000 to fund an estimated 80 recipients per deadline.

NEH will not determine the amount available until Congress enacts the final FY 2022 and 2023 budgets. This notice is subject to the availability of appropriated funds, and is a contingency action taken to ensure that, should funds become available for this purpose, applications can be processed and funds awarded in a timely manner.

C. Eligibility Information

1. Eligible Applicants

NEH accepts applications to this program from individuals who meet the following requirements.

Citizenship

U.S. citizens, whether they reside inside or outside the United States, are eligible to apply. Foreign nationals who have been living in the United States or its jurisdictions for at least the three years prior to the application deadline are also eligible. Foreign nationals who take up permanent residence outside the United States any time between the application deadline and the end of the period of performance will forfeit their eligibility to hold an award. Leaving the U.S. on a temporary basis is permitted.

Currently enrolled students

While applicants need not have advanced degrees, individuals currently enrolled in a degree granting program are ineligible to apply. Applicants who have satisfied all the requirements for a degree and are awaiting its conferral are eligible, but such applicants must include a letter from the dean of the conferring school or their department chair attesting to the applicant's status as of the application deadline in [Attachment 7: Degree conferral](#).

2. Cost Sharing

Cost sharing is not required in this program.

3. Other Eligibility Information

Application Limitations (exclusive)

You may apply to only one of the following programs in a given federal fiscal year:

- Fellowships
- [Awards for Faculty at Hispanic-Serving Institutions, Historically Black Colleges and Universities](#), and [Tribal Colleges and Universities](#)
- [NEH-Mellon Fellowships for Digital Publication](#)
- [Fellowships for Advanced Social Science Research on Japan](#)

Concurrent applications (inclusive)

You may apply to the Fellowships program and compete concurrently in the following programs for individuals in a given year:

- [Public Scholars](#)
- [Summer Stipends](#)
- [Dynamic Language Infrastructure - Documenting Endangered Languages Fellowships](#)
- NEH-funded [Fellowships at Independent Research Institutions](#)

Each competition has distinct application requirements. Refer to the relevant Notice of Funding Opportunity.

Projects previously supported by NEH

You may not apply for funding for a project previously supported by any of the following programs:

- Fellowships
- [NEH-Mellon Fellowships for Digital Publication](#)
- [Public Scholars](#)
- [Awards for Faculty at Hispanic-Serving Institutions, Historically Black Colleges and Universities](#), and [Tribal Colleges and Universities](#)
- [Dynamic Language Infrastructure - Documenting Endangered Languages Fellowships](#)
- [Fellowships for Advanced Social Science Research on Japan](#)

However, you may apply for funding for a project previously supported by a two-month NEH [Summer Stipend](#). In such a case, NEH will review the accomplishments from the previous award to determine whether the project warrants additional funding. If the current application includes work proposed in the previously-funded Summer Stipend, you must address this overlap in the work plan. NEH may support complimentary but not identical activities previously supported by a Summer Stipend.

Organizations

Organizations are not eligible to apply on behalf of scholars. Awards may not be transferred to the applicant's institution. If an individual recipient elects to have the fellowship paid through their institution, all NEH funds must be remitted to the individual. The institution may not take an institutional allowance or claim indirect costs.

Other restrictions

- Applicants may not have multiple applications considered under this notice.
- If awarded, applicants may not hold two or more NEH individual awards with overlapping periods of performance (for example, a Fellowship and a Public Scholars award, or a Fellowship and a Summer Stipend).
- If awarded, applicants may not accept or hold two NEH individual awards in the same fiscal year. For example, if you apply to the Summer Stipends program and subsequently accept a Fellowship award, your application to the Summer Stipends program will be automatically withdrawn.
- If awarded, applicants may not work on a project supported by an NEH institutional award as either a project director or participant during the period of performance of an NEH individual award that is held full time.
- If an application is submitted more than once prior to the application due date (including submitting to the wrong funding opportunity number or making corrections/updates), NEH will accept your last validated online submission, under the correct funding opportunity number, prior to the Grants.gov application due date as the final and only acceptable application.

NEH cannot delay the period of performance beyond the stated timelines of this NOFO to accommodate overlapping individual awards.

NEH does not make awards to other federal entities or to applicants whose projects are so closely intertwined with a federal entity that the project takes on characteristics of the federal entity's own authorized activities. This does not preclude applicants from using funds from, or sites and materials controlled by, other federal entities in their projects.

Except for the rare cases covered by NEH's [late submission policy](#), applications must be received by the deadline. Incomplete, nonresponsive, or ineligible applications will not be considered for funding under this notice. Applications must adhere to specified page limits and formatting requirements or they will not be reviewed. See the [Application Components Table](#).

D. Application and Submission Information

1. Application Package

You must apply electronically using Grants.gov Workspace or a Grants.gov system-to-system solution. A multistep registration process is required to submit your application. See [D3. Grants.gov Registration Process](#).

This funding opportunity is available in Grants.gov under number 20220413-FEL. There is also a link on the [program resource page](#).

Once you have located the funding opportunity in Grants.gov, the application package can be found under the "Package" tab. It includes a series of required application forms. You will upload additional application components into the [Attachments Form](#).

Contact fellowships@neh.gov to request a paper copy of this notice.

Applicants who are deaf or hard of hearing can contact NEH via Federal Relay at 800-877-8399.

2. Content and Form of Application Submission

Your application consists of a series of forms included in Grants.gov Workspace and other components that you will prepare and upload to the [Attachments Form](#). The Application Components Table below will help you prepare a complete application. A budget is not required in this program.

Applications missing any required documents or conditionally required documents will be considered incomplete and will be rejected from further consideration.

Applications that exceed page limits or violate formatting instructions will be considered nonresponsive and will be rejected from further consideration.

Do not include attachments other than those required or conditionally required in this notice. Doing so will result in NEH rejecting your application.

Unless otherwise stipulated in specific instructions, attachments must conform to the following formatting requirements:

- pages no larger than standard letter size (8 1/2" x 11")
- at least one-inch margins on all sides for all pages
- a font size no smaller than 11-point

SF-424 Application for Federal Assistance – Individual

This form requests basic information about the applicant and the proposed project. Items **1**, **2**, and **4** will be automatically filled in; item **3** should be left blank.

5a-d. Applicant Information

Provide your name, telephone number, email address, and mailing address. You must include an email address in the “Email” field, even though it is not highlighted as a required field. NEH will use this address to notify you of the outcome of your application.

Provide your mailing address. Note: Your ZIP code must include the four-digit extension preceded by a hyphen. If you do not know your four-digit extension, use “-0000” (four zeros). Indicate your citizenship status with an “X.”

Enter your Congressional district. To find the number of your Congressional district, type your ZIP code into the “Find Your Representative” tool on the U.S. House of Representatives website. If you do not have a Congressional district (that is, you are in a state or U.S. territory that does not have districts or you reside in a foreign country), enter a “0” (zero). If you live in one district but your institution is in another, provide the number for the district in which you live.

6. Project Information

a. Project Title: Provide the title of your project. It should be brief (no more than 125 characters, including spaces). Successful applications typically have titles that are descriptive of the project

and easily understood by the general public. Avoid using a title that requires clarification by the subtitle. When possible, include places and dates indicating a project's scope. NEH reserves the right to retitle funded projects for clarity when announcing its funding decisions and in its own reports and communications, but recipients are permitted to use their preferred title for any award products.

b. **Project Description:** Provide a brief description of your project. It should be written for a nonspecialist audience and clearly state the importance of the proposed work and its relation to larger issues in the humanities. This description will appear on your application cover sheet and will serve as a project abstract during the review process. Do not exceed one thousand characters, including spaces. If you exceed one thousand characters, including spaces, Grants.gov may reject your application or cut off your project description at the thousand-character limit.

c. **Proposed Project:** List the start and end dates for your project. Your period of performance must start on the first day of a month and end on the last day of a month. It must be at least six months and no more than twelve months and it must be full-time and continuous. Because award amounts depend on the number of months of work that you specify, the dates that you enter here will determine the maximum amount of your award. Your project must start on the first day of a month and end on the last day of a month. See [B2. Summary of Funding](#) for information regarding allowable periods of performance.

7. Signature

By clicking on the “I Agree” box, you certify the following:

1) You are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency, and have not—within the three years preceding the submission of this application—been convicted of or had a civil judgment rendered against you for commission of fraud or a criminal offense in connection with a public (federal, state, or local) transaction or a contract under a public transaction; for violation of federal or state antitrust statutes; for commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; had any public transactions terminated for cause or default; and are not presently indicted for or otherwise criminally or civilly charged by a governmental entity with any of the preceding offenses. See [2 CFR 180](#) and [3369](#).

2) You are not delinquent in the repayment of any federal debt or you are providing explanatory information about any delinquency. Examples of relevant debt include student loans, delinquent taxes, delinquent child support payments, and delinquent payroll taxes for household or other employees. See [OMB Circular A-129](#).

3) You will comply with the [NEH Fellowships Terms and Conditions](#).

Click on the “Save” button at the top of the form to save your work and return to the main menu.

NEH Supplemental Information for Individuals Form

This form provides additional professional information about you, your institution (if affiliated), and your references.

Field of Project

Using the drop-down menu, indicate the field(s) of your project. You may select one, two, or three fields. If you select more than one, list the primary field first. Program staff will take this information into account when assigning your application to a review panel.

Project Director Field of Study

Using the drop-down menu, choose the field of study that best describes your area of expertise.

Address Information

Indicate whether the address that you have given on the [Application for Federal Assistance SF 424 - Individual](#) form is your home or work address.

Institutional Affiliation

If you are not affiliated with an institution of higher education, click “No” and continue to the Status section. If you are affiliated with an institution of higher education, complete the information for that institution. Applicants with an institutional affiliation must include their institution’s Unique Entity Identifier (UEI), omitting hyphens. This number is generally provided by the institution’s sponsored research office and it ensures that NEH identifies your institution correctly in the materials we provide to external reviewers.

Status

There is no requirement in this program that applicants be professional scholars. Nonetheless, for purposes of processing, indicate your status as a junior scholar or senior scholar. Junior scholars are defined as those who are seven years or fewer beyond the day they received their highest formal degree; senior scholars are defined as those who are more than seven years beyond the day they received their highest degree.

Reference Letters

Provide the names, email addresses, and affiliations for your two references. Enter only one email address for each. If you provide two email addresses for a reference, NEH will be unable to contact them. Applicants are responsible for providing accurate email addresses. The NEH grants management system will use the addresses exactly as they have been entered on this form.

See [Section D7. Other Submission Requirements](#) for instructions and deadlines for the submission of reference letters and confirmation of their receipt by NEH.

Nominating Official

Leave this section blank.

Project/Performance Site Location(s) Form

Provide the primary location and any other locations where the project activity will occur during the period of performance. You may include multiple performance sites, such as home or office addresses, archives or library locations, or field research sites. If you need to add more project/performance site locations than the form allows, enter the information in a separate file and add it to the "Additional Locations" section. Instructions for each requested data element may be viewed by positioning your cursor over the blank field. Position your cursor over each field to view instructions.

Attachments Form

This form can accommodate up to fifteen attachments. Consult the [Application Components Table](#) to name and sequence your attachments in the proper order so that NEH can easily identify them.

Attachments must be in Portable Document Format (.pdf). Reformat all non-PDF files (i.e., Word, Excel, images, etc.) as PDFs. If an attachment contains multiple documents, merge them into a single file. Do not attach portfolios containing multiple PDFs. NEH cannot accept

security-enhanced PDFs (e.g., password-protection, encryption, digital signatures, etc.). Flatten these files before uploading to Grants.gov.

Visit the [Grants.gov Adobe Software Compatibility page](#) to verify the compatibility of your current software or to download the appropriate version. If you have a problem installing Adobe Reader, contact your system administrator.

Limit file names to 50 or fewer characters. Do not attach any documents with the same name. Each attachment should have a unique name. Use only the following UTF-8 characters when naming your attachments: A-Z, a-z, 0-9, underscore, hyphen, space, period, parenthesis, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semicolon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign. If you do not follow these naming conventions, your application may be rejected.

Grants.gov may accept and validate your submission even if required components are missing or are improperly formatted. This may result in NEH rejecting your application as incomplete or nonresponsive. It is your responsibility to ensure that all required components are properly formatted, attached, and submitted.

Occasionally, converting a document to PDF may alter its length. It is your responsibility to ensure that all attachments are within the stated page limits.

Attachment 1: Narrative (required)

Compose a comprehensive description of your proposed project. Your narrative should be succinct, well organized, and free of technical terms and jargon so that peer reviewers can understand the proposed project.

Your narrative must not exceed three single-spaced pages with one-inch margins and a font size no smaller than eleven points. Images, charts, diagrams, footnotes, and endnotes are allowed, if they fit within the three-page limit. Name the file narrative.pdf.

NEH has aligned each section with a primary corresponding review criterion, but note that the criteria can be relevant in more than one section and that, taken together, the parts of the narrative should form a coherent whole. Refer to E1. Review Criteria.

Guidance for Narrative, Bibliography, Résumé, and Appendices	
To ensure that you fully address the review criteria, this table provides a crosswalk between the application components and the review criteria.

<u>Application Component</u>	<u>Review Criteria</u>
Work plan	<u>3</u>
Bibliography	<u>2</u>
Résumé	<u>4</u>

Appendices (only for editions, translations, database projects and projects with visual materials)	<u>2</u>
--	----------

Use the following section headings, providing the information indicated.

Name the file narrative.pdf.

Significance and contribution (aligns primarily with [review criterion 1](#))

Describe the intellectual significance of the proposed project, including its value to humanities scholars, general audiences, or both. Provide an overview of the project, explaining the basic ideas, problems, or questions examined by the study. Describe your research and state the project’s thesis or claim(s). Explain how the project will complement, challenge, or expand relevant studies in the field. Discuss how your scholarship will be presented to benefit the intended audiences.

If you are applying to translate a work into English, and other English translations already exist, provide a rationale for a new translation. If your project results in a work that will be written in a language other than English, provide a rationale for publishing in that language.

Organization, concepts, and methods (aligns primarily with [review criterion 2](#))

Explain how your proposed research will help you resolve the problems or questions you are examining. Describe the theoretical framework of your argument and explain how your proposed research will advance it. Explain your concepts and your terminology. Describe and discuss your method(s) and sources.

For books, if possible, provide a chapter outline with brief explanations of each chapter’s arguments. For other publications, explain how your final product will be organized.

For digital projects, in addition to explaining your project’s organization, describe the technologies that will be used and developed, and explain how the scholarship will be presented to benefit audiences in the humanities.

For editions and translations, describe the project’s scholarly apparatus (e.g., introduction, annotations, and paratextual material).

For dissertation revisions, state that your project is to revise a dissertation. You must explain how your project moves beyond the original dissertation, and how it will benefit from the additional research, materials, or chapter(s).

Competencies, skills, and access (aligns primarily with [review criterion 4](#))

Explain your competence or background in the area of your project. If the area of inquiry is new to you, explain your reasons for working in it and your qualifications to do so. Specify the level of competence in any language or digital technology needed for the study. Describe where the study will be conducted and what research materials will be used. If relevant, specify the arrangements for access to archives, collections, or institutions that contain the necessary resources.

Final product and dissemination (aligns primarily with [review criterion 5](#))

Describe the intended results of the project. Explain how the results will be disseminated and why these means are appropriate to the subject matter and audience. If the project has a website, provide the URL. If the final product will appear in a language other than English, explain how access and dissemination will be affected. NEH expects that any materials produced

in digital form as a result of its awards will be maintained so as to ensure their long-term availability. To that end, describe how the project's digital results, if any, will be sustained and supported beyond the period of performance. If the project involves materials under copyright, indicate your plans for securing the necessary permission to publish.

Attachment 2: Work plan (required)

The work plan must not exceed one page. The work plan will be primarily considered under [review criterion 3](#). Name the file workplan.pdf.

Indicate the current state of the project and the part or stage of it that will be supported by the fellowship. Provide a work plan (in increments of three months or fewer) describing what will be accomplished during the period of performance, where you will be, and how you will spend your time. Your work plan must be based on a full-time commitment to the project; part-time work is not allowed. If you do not anticipate finishing the entire project during the fellowship period, discuss your plan for doing so.

Your work plan should not depend heavily on factors beyond your control, such as the receipt of outside reviewers' reports from a publisher. If you plan to submit a manuscript for publication before the end of the period of performance, explain what additional work will be required and why it merits support.

If you received an NEH Summer Stipend award for the same project, indicate what was accomplished during that award period and how the proposed work plan builds on your previous support.

If you and another researcher are seeking funds for the same project, identify them and state if they have received or submitted a proposal for NEH support. Clearly explain how the work will be divided and the extent to which each collaborator's contribution depends on that of the other.

Attachment 3: Bibliography (required)

The bibliography must not exceed one page. The bibliography will be considered primarily under [review criterion 4](#). Name the file bibliography.pdf.

Your bibliography should consist of the primary and secondary sources that relate most directly to the project. Include works that pertain to both the project's substance and its theoretical or methodological approaches to give a well-rounded representation of your project. Evaluators will use the bibliography to assess your knowledge of the subject area.

Any standard bibliographic format is acceptable. Items referenced in the narrative need not appear in the bibliography if the citation in the narrative enables readers to identify the work.

Attachment 4: Résumé (required)

Your résumé must not exceed two pages. It will be considered primarily under [review criterion 4](#). Name the file resume.pdf.

Do not submit a narrative biographical statement instead of a résumé. Include the following information:

- current and past positions
- education: list degrees, dates awarded, and titles of theses or dissertations
- awards and honors: include dates. If you have received prior support from NEH, indicate the dates of these awards and the products that resulted from them

- publications: include full citations for publications and presentations
- other relevant professional activities and accomplishments
- level of competence in any relevant foreign languages

Attachment 5: Appendices (conditionally required)

The appendices must not exceed one single-spaced page per item. If applicable, your appendices will be considered primarily under [review criterion 2](#). Name the file appendices.pdf.

If you are proposing an edition, translation, database project, or project involving visual materials, you must submit this attachment as described below:

- Editions or translations: provide a sample of the original text (one page) and the edited or translated version (one page). If you plan to include annotations, your sample of the edited or translated version should include examples.
- Database projects: provide a sample entry (one page).
- Visual materials: provide a sample (one page) saved as a PDF (do not use .jpg or other common graphic formats).

Note: Writing samples are no longer required.

Applications exceeding the page limit or including any other appendices will not be reviewed.

Attachment 6: Degree conferral (conditionally required)

If you have satisfied all the requirements for a degree and are awaiting its conferral, you must include a letter from the dean of the conferring school or the department chair attesting that you have satisfied all of the requirements for the degree by the application deadline.

Name the file degreeconferral.pdf.

Attachment 7: Explanation of delinquent federal debt (conditionally required)

If you are **delinquent** in the repayment of any federal debt, provide explanatory information including evidence that you have entered into a repayment agreement with the Internal Revenue Service, and that you are current on all payments due. Examples of relevant debt include **delinquent** student loans, taxes, child support payments, and payroll taxes for household or other employees. See [OMB Circular A-129](#).

Name the file delinquentdebt.pdf.

3. Grants.gov Registration Process

Registering and creating an “individual applicant” profile

All applicants must submit their applications via Grants.gov Workspace.

If you are registering with Grants.gov for the first time, go to <https://apply07.grants.gov/apply/register.faces>.

Once you have registered at Grants.gov, you must add an “individual applicant” profile in order to submit an application to programs for individuals. Do this by clicking on the “My Account” link, then on “Manage Profiles” and “Add Profile.” Refer to [Grant.gov’s instructions for adding a profile](#).

Only applicants whose Grants.gov accounts include an individual applicant profile will be able to submit applications for this program. If you have successfully created an individual applicant profile, the “Apply” button on the Grants.gov opportunity page will be red. Otherwise it will be grayed out.

When you create your “individual applicant” profile, Grants.gov may automatically fill in the box for the unique entity identifier number with a default value. Do not change this number.

Applicants who have already registered at Grants.gov and created an “individual applicant” profile need not re-register to submit their proposals. However, we encourage you to check your account ahead of the deadline to confirm that it is still active and that your password has not expired.

If you have problems registering with Grants.gov or adding an “individual applicant” profile, contact Grants.gov Applicant Support at 1-800-518-4726 or support@grants.gov.

Applicants who lose their username and password can request a reminder at <https://apply07.grants.gov/apply/login.faces?userType=applicant&cleanSession=1>.

Additional registration information

Individuals do not need to register in the System for Award Management (SAM). Awards will not be processed for individuals with delinquent federal debt or for individuals who have been suspended, debarred, declared ineligible, or voluntarily excluded from eligibility for covered transactions by any federal department or agency. To see if you have delinquent federal debt or other exclusions recorded in SAM, go to the [SAM website](#); click on “Entity Information” and then select “Exclusions” from the drop-down menu under “Search.”

NEH may not make an award to an applicant until the applicant has complied with all applicable requirements and, if an applicant has not fully complied with the requirements by the time NEH is ready to make an award, NEH may determine that the applicant is not qualified to receive an award and use that determination as the basis for making an award to another applicant.

NEH strongly recommends that you complete your registration at least two weeks before the application deadline. If you fail to allow sufficient time to complete registration with Grants.gov, you will not be eligible for a deadline extension or waiver of the online submission requirement.

4. Submission Dates and Times

Applications

There will be two application due dates under this notice:

- April 21, 2022, at 11:59 p.m. Eastern Time
- April 12, 2023, at 11:59 p.m. Eastern Time

Applications must be complete and validated by Grants.gov under the correct funding opportunity prior to the deadline to be considered under this notice.

It is your responsibility to confirm that Grants.gov and subsequently NEH have received your application. [Check your application status](#).

When NEH receives your application from Grants.gov, the agency will assign it a tracking number beginning with FEL-. A tracking number does not guarantee that the application is free of technical problems (such as missing attachments or failure to convert attachments to PDFs). If a technical problem is detected, NEH will notify you via email. It is your responsibility to correct any errors prior to the deadline.

Once you have applied, NEH will not comment on the status of your application except on issues of eligibility, completeness, and responsiveness.

Letters of reference

Letters of reference should be submitted online no later than May 11, 2022 (for applications submitted for the 2022 deadline), and May 3, 2023 (for applications submitted for the April 12, 2023 deadline). See [D7. Other Submission Requirements](#).

7. Other Submission Requirements

Letters of Recommendation

You are encouraged to solicit two letters of reference that address your proposed project and your ability to undertake it. Provide the names, email addresses, and affiliations for your references on the [NEH Supplemental Information for Individuals Form](#). Provide only one email address for each letter writer in the relevant field.

NEH will email your references two to three weeks after the deadline to prompt them to submit their letters. Letters should be submitted online not later than May 11, 2022 (for applications submitted for the 2022 deadline) and May 3, 2023 (for applications submitted for the 2023 deadline).

You are responsible for ensuring that your references have received and responded to the NEH request and for providing them with your application materials NEH will notify you by email when your letters of reference have been submitted.

After you have confirmation that NEH has received your application, you may check the status of your reference letters by logging in to the [secure area of NEH's website](#). Enter your application number and your Grants.gov tracking number. You will be able to see the names and email addresses of your references and whether their letters have arrived. If necessary, you may send them reminders (including the upload link) from this site.

If a reference letter is submitted late, it will be added to your application when it arrives, but it is possible that reviewers will not take it into account. If you find that you must change your references after the application deadline, you may do so by contacting program staff at fellowships@neh.gov.

If you are proposing a translation, one of your letters must be from an expert in the language(s) of your project and should provide an assessment of the one-page sample translation that you are submitting with your application. Notify this reference that they should address the quality of the translation sample in their letter.

Elected government officials, current NEH staff, and members of the [National Council on the Humanities](#) may not serve as letter writers.

Missing reference letters will not disqualify an application from review.

E. Application Review Information

1. Review Criteria

Peer reviewers will use the following criteria to review applications in this program:

1. The intellectual significance of the proposed project, including its value to humanities scholars, general audiences, or both.
2. The quality of the conception, definition, organization, and description of the project and the applicant's clarity of expression.
3. The feasibility and appropriateness of the proposed work plan.
4. The quality or promise of quality of the applicant as an interpreter of the humanities.
5. The likelihood that the applicant will complete the project (not necessarily during the period of performance), including, when relevant, the soundness of the dissemination and access plans.

Each review criteria corresponds to specific sections of the narrative and the other application components. See [D2. Content and Form of Application Submission](#).

2. Review and Selection Process

NEH staff review all applications for eligibility, completeness, and responsiveness, and then use a peer review process to evaluate all eligible and complete applications. Peer reviewers are

experts in the field with relevant knowledge and expertise in the types of project activities identified in the applications. NEH staff instruct reviewers to evaluate applications according to the [review criteria](#) in this notice. Peer reviewers must comply with federal ethics and conflicts of interest requirements.

NEH staff comment on matters of fact or on significant issues that otherwise would be missing from peer reviews, then makes recommendations to the [National Council on the Humanities](#). The National Council meets at least twice annually to advise the NEH Chair. The Chair considers the advice provided by the review process and, by law, makes all funding decisions. [Learn more about the NEH review process](#).

3. Assessment of Risk and Other Pre-Award Activities

Applications that have received a favorable objective review are reviewed for other considerations that include past performance, as applicable; continued applicant eligibility; and compliance with any public policy requirements. You may be asked to submit additional information or to undertake certain activities in anticipation of an award. However, even at this point in the process, such requests do not guarantee that an award will be made. Following review of all applicable information, NEH's approving and grant management officials will determine whether an award can be made, if special conditions are required, and what level of funding is appropriate. Award decisions are discretionary and are not subject to appeal to any NEH official or board.

4. Anticipated Announcement and Award Dates

NEH will notify applicants of funding decisions by email in December 2022 for applications submitted for the 2022 deadline, or in December 2023 for application submitted for the April 2023, deadline. This notification is not an authorization to begin performance or incur related costs. Successful applicants will be required to complete the NEH Fellowship Acceptance Form, from which the payment schedule will be determined. Applicants may request evaluations of their applications by emailing fellowships@neh.gov.

F. Federal Award Administration Information

Providing access to NEH-funded products

As a taxpayer-supported federal agency, NEH endeavors to make the products of its awards available to the broadest possible audience. Our goal is for scholars, educators, students, and the American public to have ready and easy access to the wide range of NEH award products. All other considerations being equal, NEH gives preference to those that provide free access to the public.

Copyright information

Recipients may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under an award. In accordance with [2 CFR §200.315\(b\)](#), NEH reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so. NEH has typically exercised this right in consultation with recipients to publish an excerpt from resulting grant product(s) in [Humanities](#) magazine or on the NEH website.

As defined in the Federal Policy on Research Misconduct, research includes all basic, applied, and demonstration research. Review the [NEH Research Misconduct Policy](#).

Coordination of geographic information and related spatial data

Applicants requesting funding for the development, acquisition, preservation, or enhancement of geospatial data, products, or services must conduct a due diligence search at the [Data.gov list of datasets](#) to determine whether the needed geospatial-related data, products, or services already exist. If not, the proposed geospatial data, products, or services must be produced in compliance with applicable [Federal Geographic Data Committee](#) guidance.

Eliminate waste, fraud, and abuse

Help NEH eliminate fraud and improve management by providing information about allegations or suspicions of waste, fraud, abuse, mismanagement, research misconduct (fabrication, falsification, plagiarism), or unnecessary government expenditures, during the period of award performance, to the [NEH Office of the Inspector General](#).

Termination

NEH reserves the right to terminate awards consistent with [2 CFR §200.340](#).

3. Reporting

The final performance report collects information relevant to the accomplishments during the period of performance; the products arising or anticipated to arise from the project; financial support apart from NEH sources; the project's impact; and acknowledgement of NEH support. The final reports must be submitted online in eGMS Reach. Further information will be provided in the Notice of Action.

Learn more about general [Performance Reporting Requirements](#) and the [reporting requirements for NEH Fellowship recipients](#).
