NEH Budget Instructions for the Trans-Atlantic Platform Democracy, Governance, and Trust Call

Note: If you are a U.S.-based applicant submitting a proposal to the National Endowment for the Humanities for the Trans-Atlantic Platform (T-AP) for Social Sciences and Humanities Call on Democracy, Governance, and Trust (DGT), you should use these budget instructions. If you are not based in the U.S. or you are applying to the National Science Foundation (NSF), you should consult the T-AP website for required budget information and forms. All awards made to U.S.-based applicants will be issued by NEH or NSF. At the time awards are issued, the funding agency may require you to submit additional budget materials. The issuing agency will contact recipients with details.

Before developing a project budget, applicants should review the T-AP DGT Call for Proposals and the NEH Addendum to the call for important information about proposal requirements.

Research and Related Budget

You must submit a project budget using the Research and Related (R&R) Budget form along with a budget justification. You can find the R&R budget form on NEH’s website. You must open and complete this form in Adobe Reader 8.0 or higher rather than in your web browser. Do not attach the budget justification to the R&R. You must submit it as a separate document.

Complete a single detailed budget for each 12-month span of the period of performance. The form will generate a cumulative budget.

The form indicates required fields in yellow. Round all costs to the nearest whole dollar. The inclusion of a cost category on the Research and Related Budget form does not automatically indicate that an expense is allowable in this program.

NEH does not require cost share in this program. If you provide voluntary cost share, do not include it on the Research and Related Budget form. You may describe it in your budget justification.

All costs must be reasonable, necessary to accomplish project objectives, allowable in terms of 2 CFR 200 Subpart E - Cost Principles, auditable, and incurred during the period of performance. Costs are subject to audit, record retention, and other requirements set forth in 2 CFR 200 Subpart F - Audit Requirements.

You should only include your own employees under A. Senior/Key Person and B. Other Personnel. Include team members in leadership roles in the project under A. Senior/Key Person. Include other team members under B. Other Personnel. Include costs for non-employees under F3. Consultant Services or F5. Subawards/Consortium/Contractual Costs, as appropriate.

If you charge indirect costs to the project, you must not charge the same costs to the project as direct costs.
**Introductory Fields**
Indicate your organization’s Unique Entity Identifier, name, and the period of performance. Your period of performance must be between 24 and 36 months and must start on September 1 or October 1, 2024. For budget type, check “project.”

**A. Senior/Key Person**
Include personnel who are employed by the applicant institution in leadership roles on the project. **Do not include collaborators at other institutions or consultants, as you will include them in F. Other Direct Costs.**

Enter the base salary (annual compensation) for each senior/key person and identify the number of months they will devote to the project. If you do not include base salaries, your award may be delayed.

Many non-academic institutions organize their budgets using calendar months. If your organization does not differentiate between academic and summer months, use only the calendar months column.

If your organization follows an academic calendar, you may differentiate levels of effort by using the academic and summer months columns. You may use both columns if your institutional policy requires separate accounting for academic and summer months. If your institution does not use a nine-month academic year and a three-month summer period, include your institution’s definition of these terms in your budget justification.

Enter the requested salary and fringe benefits for each senior/key person. Per 2 CFR § 200.431, fringe benefits are allowances and services you provide in addition to salaries and wages. Fringe benefits may include the costs of leave (e.g., vacation, family-related, sick, or military), employee insurance, pensions, and unemployment benefit plans.

Requested salaries and wages must comply with 2 CFR §§ 200.430 and .466 and fringe benefits must comply with 2 CFR § 200.431.

The form will calculate the requested salary and fringe benefits for each key person.

The form has space for up to eight people. If you request funds for additional key personnel, list them in a separate document using the same format as the Research and Related Budget and include it under Additional Documents in your T-AP application. If applicable, enter the total funds requested for additional senior/key persons in the ”Total Funds requested for all Senior/Key Persons in the attached file” field.

**B. Other Personnel**
Include personnel employed by the applicant institution who will play a supporting role on the project. For each project role, identify the number of personnel proposed, the total number of months, total salary, and total fringe benefits requested as described in A. Senior/Key Person. The form will calculate the requested salary and fringe benefits for each group.

**Post-doctoral associates, graduate students, and undergraduate students**
If applicable, include charges for tuition remission and other forms of compensation paid to students as, or in lieu of, salaries and wages. You must report such costs in accordance with 2
CFR § 200.466(b), and must treat them as direct or indirect costs in accordance with the actual work performed. You may charge tuition remission on an average rate basis.

**Administrative/Clerical**
In most circumstances, you should include the salaries of administrative, secretarial, or clerical staff as indirect costs (see H. Indirect Costs). Per 2 CFR § 200.413(c), you may charge salaries for administrative or clerical staff as direct costs only if they meet the following conditions:

- The administrative or clerical services are integral to a project or activity.
- The individuals can be specifically identified with the project or activity.
- You explicitly include these costs in your budget or have prior written approval from NEH.
- You do not recover the costs as indirect costs.

If you include administrative or clerical salaries in your budget as direct costs, describe how direct charging meets all four conditions in your [budget justification](#). NEH may request additional information to assess if proposed costs are allowable.

**Additional Other Personnel**
List additional project roles, if applicable. The form has space for six named roles. If you have more, combine project roles on the form and explain in your [budget justification](#).

Requested salaries and wages must comply with 2 CFR §§ 200.430 and 466 and fringe benefits must comply with 2 CFR § 200.431.

Do not list collaborators at other institutions or consultants here, as you will include them in F. Other Direct Costs.

**C. Equipment Description**
Equipment is nonexpendable personal property costing $5,000 or more per item and having a service life of more than one year (unless your organization has established a lower level). See 2 CFR §§ 200.313 and 439.

You may purchase equipment if analysis demonstrates that it is more economical and practical than leasing. You may charge depreciation in compliance with 2 CFR § 200.436. If you lease equipment, include equipment rental/user fees in F. Other Direct Costs.

Per 2 CFR § 200.322, you should preference goods, products, and materials produced in the United States purchased or acquired under a federal award. If NEH funds your project, you must include the requirements of this section in all subawards, contracts, and purchase orders for work or products.

List each item of equipment you plan to purchase and its estimated cost, including shipping and maintenance. Include supporting information, such as a price quote, in your [budget justification](#).

The form has space for ten items. If you request funds for additional equipment, list them in a separate document and include it under Additional Documents in your T-AP application. Enter the total funds for the additional equipment in the “Total funds requested for all equipment listed in the attached file” field.
The form will calculate total equipment costs.

**D. Travel**

Enter the total funds you are requesting for both domestic travel (local and long-distance) and foreign travel (including travel to Canada and Mexico). Detail costs for each trip in your budget justification. **If you make non-refundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

Include travel costs for participants in F3 and travel costs for consultants in F3.

The form will calculate total travel costs.

**E. Participant/Trainee Support Costs**

Participants are the beneficiaries, not the providers, of a service or training opportunity (such as a workshop, conference, seminar, or symposium) funded by a federal award.

[2 CFR § 200.1](https://www.gpo.gov/fdsys/pkg/CFR-2019-title2-vol2/content-2 CFR-2019-title2-vol2.html) defines participant support costs as direct costs for expenses such as stipends, travel allowances, subsistence allowances, and registration fees paid to or on behalf of participants (but not employees) in connection with conferences or training projects.

[2 CFR § 200.432](https://www.gpo.gov/fdsys/pkg/CFR-2019-title2-vol2/content-2 CFR-2019-title2-vol2.html) defines a conference as a meeting, retreat, seminar, symposium, workshop, or event, the primary purpose of which is the dissemination of technical information beyond the non-federal entity, and which is necessary and reasonable for successful performance under the federal award.

Include supporting information in your budget justification. **If you or your participants make non-refundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

If you claim indirect costs, exclude participant support costs from the MTDC base. The form will calculate total participant support costs.

1. **Tuition/Fees/Health Insurance**
   Leave this field blank.

2. **Stipends**
   Enter the requested funds for participant stipends.

3. **Travel**
   Enter the requested funds for participant travel. In your budget justification, name the travelers (if known) and itemize their travel expenses (e.g., roundtrip airfare, mileage, public transportation fares, parking fees).
4. Subsistence
Enter the requested funds for participant subsistence (e.g., lodging and service charges; meals, including taxes and tips; and incidental expenses).

5. Other
Describe other participant support costs (e.g., local ground transportation to venues, admission fees) and enter the requested funds. Provide additional information in your budget justification.

Number of Participants/Trainees
Enter the number of participants. This field cannot exceed 999.

F. Other Direct Costs
The form will calculate total other direct costs.

1. Materials and Supplies
Enter the requested funds for materials and supplies that cost less than $5,000 per item, regardless of its useful life, unless your organization has established a different capitalization level. See 2 CFR §§ 200.314 and 200.453.

2. Publication Costs
Enter the requested funds for publication costs, including the costs of documenting, preparing, publishing, or otherwise making available to others the findings and products of the work conducted under the award. Include supporting information in your budget justification.

3. Consultant Services
Enter the requested funds for consultant services. If your project includes an external advisory committee, include associated costs here.

Consultant fees must comply with 2 CFR § 200.459.

4. Automated Data Processing (ADP)/Computer Services
Enter the requested funds for ADP/computer services, including computer-based retrieval of scientific, technical, and education information. Include personal computers and accessories under Materials and Supplies. If a third party will provide these services, include them in Subawards/Consortium/Contractual Costs.

5. Subawards/Consortium/Contractual Costs
Enter the total funds you are requesting (both direct and indirect costs) for activities third parties will perform.

Per 2 CFR §§ 200.1 and 200.331(a), a subaward is an award you issue to a subrecipient to carry out part of your federal award. Subawards do not include payments to contractors (as defined in 2 CFR §§ 200.1 and 200.331(b)) or payments to individuals who are beneficiaries of federal programs.

You may provide a subaward through any form of legal agreement, including an agreement you consider a contract. The substance of the relationship between a passthrough entity and a third party is more important than the form of the agreement when determining if the third-party functions as subrecipient or contractor. See 2 CFR § 200.331(c).
NEH may request additional information to assess if proposed costs are reasonable and allowable. See 2 CFR §§ 200.331 and .332.

If your budget includes subawards, you must submit a separate Research and Related budget and budget justification for each subrecipient. Include these subrecipient budgets and budget justifications under Additional Documents in your T-AP application. If a subrecipient claims indirect costs, include its federally negotiated indirect cost rate agreement. You do not have to include an agreement for any subrecipient that requests the 10% de minimis rate. Include these budgets and related material under Additional Documents in your T-AP application.

Learn more about managing subawards.

6. Equipment or Facility Rental/User Fees
Enter the requested funds for rental fees for equipment and facilities.

If you will use your own equipment and facilities, you may charge depreciation in compliance with 2 CFR § 200.436. Alternatively, if you will use equipment you purchased with federal funds under another award, you may charge user fees consistent with 2 CFR § 200.313(c)(2). You may not charge both depreciation and user fees.

If you will host a conference, you may rent facilities per 2 CFR § 200.432. If you rent facilities under a “less-than-arm’s-length” lease, you must comply with 2 CFR § 200.465(c).

Federally funded meetings and conferences must take place in properties that comply with the Hotel and Motel Fire Safety Act of 1990 (Pub. L. 101-391). Consult the U.S. Fire Administration’s National Master List for fire code compliant hotels.

7. Alterations and Renovations
Leave this line blank. Per 2 CFR § 200.462, costs you incur for ordinary and normal rearrangement and alteration of facilities are allowable as indirect costs.

8-10. Other
List items you have not included in other previous categories or in the indirect cost pool. “Other” project-specific costs may include fees for promotion, acquisition, rights, evaluation and assessment, and accessibility accommodations (e.g., audio description, sign-language interpretation, closed or open captioning, large-print brochures/labeling). “Miscellaneous” and “contingency” are not acceptable budget categories.

Per 2 CFR § 200.432, allowable conference costs include speakers’ fees, costs of meals and refreshments, and other incidental items. You must exercise discretion and judgment to ensure that costs are appropriate, necessary, and managed in a manner that minimizes costs to the award.

Food is only allowable when vendors are unavailable during the scheduled program. You may not use federal funds for meals or refreshments at receptions or networking events. If participants receive complimentary meals or refreshments during meetings, conferences, training, or other events while on NEH-supported travel, you must reduce the per diem you charge to the award. Per 2 CFR § 200.423, you may not use federal funds for alcoholic beverages.
G. Total Direct Costs
The form will calculate total direct costs.

H. Indirect Costs
Indirect costs are costs your institution incurs for common or joint objectives and that you cannot readily identify with a specific project or activity. Indirect costs include such expenses as the depreciation on buildings, equipment, and capital improvements; operations and maintenance expenses; accounting and legal services; and salaries of executive officers.

You do not have to claim indirect costs, but if you do, calculate the amount you may request by multiplying the applicable indirect cost rate by the distribution base, which is typically the project’s modified total direct costs (MTDC).

Per 2 CFR § 200.1, MTDC are direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first $25,000 of each subaward (regardless of the period of performance of the subaward). **MTDC exclude equipment, capital expenditures, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward over $25,000.**

Review your institution’s negotiated indirect cost rate(s) to ensure you are using the most appropriate rate for your project. Many institutions of higher education negotiate multiple rates, such as “research,” “instruction,” and “other sponsored activities.” An institution’s “research” rate is not the appropriate rate for inclusion in NEH project budgets, except in rare cases, since it is reserved for projects involving scientific research, not scholarly inquiry of the type most often supported by NEH.

Except as provided in 2 CFR § 200.414(c)(1), NEH must use the negotiated rate(s) in effect at the time it issues your award and will not adjust the rate(s) throughout the life of your award. NEH will not adjust your award amount due to changes to your negotiated rates.

If an educational institution does not have a negotiated rate with the federal government when NEH issues an award (because it is a new recipient or the parties cannot reach agreement on a rate), but has a provisional rate, NEH must use the provisional rate until a final cost is negotiated and approved by the cognizant agency, except as provided in 2 CFR § 200.414. If the recipient fails to negotiate an indirect cost rate applicable to the period of performance within the period of performance, NEH may disallow indirect costs.

If your organization does not have a federally negotiated indirect cost rate, you may:

- submit an indirect cost proposal to your cognizant federal agency to negotiate a rate within three months of your award’s period of performance start date; or
- charge a de minimis rate of 10% applicable to MTDC (see 2 CFR § 200.414(f))

If you choose one of these options, indicate this under **Indirect Cost Type**. If you do not choose either of the above options, you may only charge costs that are allocable, allowable, and reasonable to the award.

Include a copy of your federally negotiated indirect cost rate agreement, along with subrecipient agreements under Additional Documents in your T-AP application, if applicable.

Reference **NEH’s General Guidance on Calculating Indirect Costs** for more information.
If NEH is your cognizant agency, reference Guidance for Negotiating an Indirect Cost Rate Agreement with NEH.

**Indirect Cost Type**
Enter the type of indirect cost rate (e.g., “other sponsored activities,” “all programs,” “instruction,” “10% de minimis”) and base (e.g., “MTDC,” “salaries,” “salaries & fringe”) and whether the activity and rate are on- or off-site. If your budget includes more than one indirect cost rate or base, list them as separate entries (i.e., if your project includes activities that occur both on and off campus). If you do not have a current indirect rate agreement, but intend to negotiate one, write “None-will negotiate” and provide additional detail in your budget justification.

**Indirect Cost Rate (%)**
Enter the most recent indirect cost rate(s) established with your cognizant federal agency (or the 10% de minimis rate) as a number without special characters (i.e., 32.5).

**Indirect Cost Base ($)**
Enter the base for each indirect cost type. Describe any exclusions in your budget justification. If applicable, refer to your federally negotiated indirect cost rate agreement to determine how to calculate the indirect cost base.

**Funds Requested ($)**
Enter the requested funds for each indirect cost type.

**Total Indirect Costs**
The form will calculate total indirect costs.

**Cognizant Federal Agency**
Enter the name of your cognizant federal agency and a point of contact, if applicable.

**I. Total Direct and Indirect Costs**
The form will calculate total project costs. Total project costs should not exceed $200,000.

**J. Fee**
Leave this field blank.

**K. Total Costs and Fee**
The form will calculate this field, which will be the same amount as I. Total Direct and Indirect Costs.

**Budget Justification**
You must provide a budget justification to support your project. Specifically describe how each item supports your proposed objectives, detail how you calculated all costs, and provide supporting documentation. Organize your budget justification using the section headings on the Research and Related Budget.
If you provide voluntary cost share, you may describe it in the budget justification to contextualize the project. Do not include voluntary cost share on the Research and Related Budget form.

Include the budget justification under Additional Documents in your T-AP application. **Do not attach the budget justification to the R&R. You must submit it as a separate document.** Do not use your budget justification to expand your narrative.

A. Senior/Key Person: Budget Justification
Detail the salary and wages you will pay to each Senior/Key Person. Provide their names and briefly describe their roles in and suitability to the project. Identify the fringe benefit rate and explain the base for each person. If your organization follows an academic calendar, explain any differences in compensation between academic and summer months.

B. Other Personnel: Budget Justification
List names (if known), roles, months, and requested salary and fringe benefits for other personnel, including post-doctoral associates, graduate students, undergraduate students, and administrative/clerical personnel.

If your budget includes administrative/clerical personnel, describe how they meet the **four conditions** for inclusion as a direct cost.

C. Equipment Description: Budget Justification
Detail the number and unit cost for each item and explain how you determined these figures. Provide vendor quotes or price lists, if applicable.

D. Travel: Budget Justification
For each trip, provide the name of the key personnel or employee(s) (if known), explain the purpose of the trip, and specify the points of origin and destination. Break out the costs of transportation, lodging, per diem, and any other associated expenses. Explain how you determined these figures. You must justify each trip separately, except for recurring local trips, which you may group together.

For local travel, include the mileage rate, number of miles, reason for travel, and staff members completing the travel. For long-distance travel, calculate per diem amounts for meals and lodging consistent with written institutional policy. You must use the lowest available commercial fares for coach or equivalent accommodations. **If you make nonrefundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

E. Participant/Trainee Support Costs: Budget Justification
Describe how you calculated participant stipends, travel, subsistence, and other costs. If possible, detail participant travel costs using the instructions above.

F. Other Direct Costs: Budget Justification
1. Materials and Supplies
Indicate general categories (e.g., personal computers, digital cameras, archival supplies). Provide a total for each category. Itemize categories totaling $1,000 or more and provide vendor quotes or price lists, if applicable.
2. Publication Costs
Indicate print runs and justify costs, including vendor quotes, if applicable.

3. Consultant Services
Identify each consultant, describe the services they will perform, specify the amount of time they will devote to the project across the period of performance, outline travel costs, and provide total costs. If applicable, include consultants’ proposals.

4. Automated Data Processing (ADP)/Computer Services
Itemize the cost for each service and include established service rates, if applicable.

5. Subawards/Consortium/Contractual Costs
List the costs of project activities to be undertaken by third parties. Identify each third party by name, describe its role in the project, the activities it will carry out, and the associated costs. For each entry, designate the third party as either a subrecipient (who receives a subaward) or a contractor (who receives a contract).

For each contractor, itemize costs using the same categories as the Research and Related Budget and provide relevant supporting documents.

You must submit a Research and Related budget and budget justification for each subrecipient under Additional Documents in your T-AP application.

6. Equipment or Facility Rental/User Fees
Identify and justify each rental fee. Provide relevant supporting documentation.

7. Alterations and Renovations
Leave this blank.

8. Other Costs
Itemize, describe, and justify any other direct costs. Include supporting documentation. “Miscellaneous” and “contingency” are not acceptable budget categories.

G. Total Direct Costs
Automatic total. Leave blank.

H. Indirect Costs: Budget Justification
If you include indirect costs in your project budget, identify the rate(s), explain the base(s), and describe any exclusions.
