NEH notifies Congressional offices of grant awards before notifying the awardees, so that Members of Congress or their staff have the opportunity to contact the project directors to inform and congratulate them on their grant awards. If you call the grantees today, you will be the first to notify them of their award.

Many Congressional offices work with the grant awardees to create press releases either jointly or separately. Please let us know if you would like additional information from NEH for your press release. On June 11 (tomorrow), ALA staff will contact all successful applicants directly and NEH will publicly announce the grants on NEH's website, www.neh.gov (http://www.neh.gov).

If you have any questions or would like further information on any of these grants, please contact NEH's Director of Congressional Affairs, Tim Aiken at (202) 606-8273, or taiken@neh.gov (mailto:taiken@neh.gov).

Sincerely,

William D. Adams Chairman
