## PROGRAMS AND EVENTS

Ongoing

**Created Equal: America's Civil  
Rights Struggle**

"Created Equal: America's Civil Rights Struggle" uses the power of documentary films to encourage public conversations about the changing meanings of freedom and equality in America. The four outstanding documentary films that are the centerpiece of this project—*The Abolitionists*, *Slavery by Another Name*, *Freedom Riders*, and *The Loving Story*—tell the remarkable stories of individuals who challenged the social and legal status quo, from slavery to segregation. Film screenings funded by NEH will be offered at 473 communities across the nation. "Created Equal" is part of the NEH *Bridging Cultures* initiative, produced in partnership with the Gilder Lehrman Institute of American History. [www.createdequal.neh.gov](http://www.createdequal.neh.gov)

**Humanities in the Public Square**

As part of the NEH's Common Good initiative, twenty-one new grants will support community discussions of challenging contemporary issues, demonstrating the relevance of the humanities to our civic life. Humanities in the Public Square programs will be held at sites around the nation in 2016.
